PROSPECTUS

Corporate Advisor and Transaction Sponsor

Legal Advisor to AB InBev, SAB and SAB Zenzele Kabili

SAB Zenzele Kabili Administrator

Independent Reporting Accountants to SAB Zenzele Kabili

The definitions and interpretations commencing on page 17 of this document apply, mutatis mutandis, through the entire document, including this cover page.

This Prospectus is not an offer to the general public and only constitutes: (i) an invitation to Qualifying Investors (being: (i) SAB Zenzele Retailer Shareholders; and (ii) the beneficiaries of The SAB Zenzele Employee Trust) to participate in the Reinvestment Offer; and (ii) an application for listing of the Settlement Shares pursuant to the BEE Listing, in each case on the terms and conditions set out herein.

On the same date as the posting of this Prospectus, SAB Zenzele has posted the SAB Zenzele Scheme Circular, in terms of which the SAB Zenzele Board has requested SAB Zenzele Shareholders to approve the SAB Zenzele Scheme.

If the SAB Zenzele Scheme is duly approved and implemented, then:

(i) SAB Zenzele Retailer Shareholders will be deemed to have ceded 15% of their respective rights and entitlements to receive AB InBev Shares (pursuant to their SAB Zenzele Retailer Settlement Entitlements which will vest under the Existing Empowerment Transaction), to SAB Zenzele Kabili; and

(ii) in consideration for such cession, each SAB Zenzele Retailer Shareholder will receive SAB Zenzele Kabili Ordinary Shares of proportional value to the portion of SAB Zenzele Retailer Settlement Entitlements ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme.

In addition, if the SAB Zenzele Scheme is implemented, then the New Empowerment Transaction can be implemented and Qualifying Investors will be provided with an option to elect to cede all or a portion of their Settlement Entitlements (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlements remaining after having taken into account the portion of their Settlement Entitlements ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented), in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value pursuant to the Reinvestment Offer.

Accordingly, the Reinvestment Offer made pursuant to this Prospectus comprises only: (i) an offer to retailer shareholders of SAB Zenzele (being the SAB Zenzele Retailer Shareholders); and (ii) an “employee” offer to employees and former employees of the SAB group who are beneficiaries of the SAB Zenzele Employee Trust.

The Reinvestment Offer is in addition to and distinct from the SAB Zenzele Scheme and does not amend the terms and conditions of the unwind of the Existing Empowerment Transaction, but represents an additional option under the New Empowerment Transaction made available to Qualifying Investors to invest in SAB Zenzele Kabili in exchange for their Settlement Entitlements (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlements remaining after having taken into account the portion of their Settlement Entitlements ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented). The Reinvestment Offer is an offer to Qualifying Investors to apply to receive SAB Zenzele Kabili Ordinary Shares from SAB Zenzele Kabili, by completing and duly delivering a Participation Form in accordance with the instructions set out in this Prospectus and the Participation Form.
The SAB Zenzele Kabili Ordinary Shares which will be used to settle the various components of the New Empowerment Transaction (including the Reinvestment Offer and the SAB Zenzele Scheme), being the Settlement Shares, will be listed on the BEE Segment pursuant to the BEE Listing, which will allow holders of SAB Zenzele Kabili Ordinary Shares to trade their SAB Zenzele Kabili Ordinary Shares from the outset with BEE Verified Persons.

This Prospectus is not an invitation to the general public to subscribe for SAB Zenzele Kabili Ordinary Shares, but is issued for the limited purposes of providing statutorily required information in connection with the:

(i) **Reinvestment Offer**: being an invitation to Qualifying Investors to participate in the Reinvestment Offer, which offer is being made to Qualifying Investors on the terms and subject to the conditions set out herein; and

(ii) **BEE Listing**: being the listing of 40,550,000 SAB Zenzele Kabili Ordinary Shares (being the Settlement Shares), as Asset Backed Securities on the BEE Segment.

Accordingly, this Prospectus comprises a combined:

(i) “registered prospectus”, prepared in accordance with the applicable substance and form requirements for a prospectus set out in the Companies Act and the Companies Regulations; and [Reg 51(4)]

(ii) pre-listing statement prepared in accordance with the applicable JSE Listings Requirements.

The JSE has approved this Prospectus and granted SAB Zenzele Kabili a listing in the Non-equity Investment Instruments sub-sector, in the BEE Segment, in respect of the 40,550,000 SAB Zenzele Kabili Ordinary Shares (being the Settlement Shares), under the full name “SAB Zenzele Kabili (RF) Limited” with the abbreviated name of “SABKabili” under JSE ordinary share code: “SZK” and the ISIN: ZAE000284196, with effect from the commencement of trade on Wednesday, 15 April 2020.

In addition, this Prospectus, accompanied by the documents referred to under “Documents available for inspection” as set out in Section 4, paragraph 6 on page 62 of this Prospectus, was registered with the CIPC on or about 17 February 2020.

As at the BEE Listing Date, the authorised stated capital of SAB Zenzele Kabili will comprise:

(i) 50,000,000 SAB Zenzele Kabili Ordinary Shares; and

(ii) 1,000,000 SAB Zenzele Kabili Preference Shares.

As at the BEE Listing Date, no SAB Zenzele Kabili Shares are held in treasury.

This Prospectus and the BEE Listing only relates to SAB Zenzele Kabili Ordinary Shares, and: (i) no invitation or offer to subscribe is being made to any person in relation to the SAB Zenzele Kabili Preference Shares; and (ii) no application for listing on the JSE has been made in respect of the SAB Zenzele Kabili Preference Shares.

The SAB Zenzele Kabili Ordinary Shares are subject to various restrictions as set out in the SAB Zenzele Kabili MOI, including, *inter alia*, that they may only be transferred to BEE Verified Persons. Subsequent to the BEE Listing and for the duration of the BEE Listing Period, the trading in, and transfer of, SAB Zenzele Kabili Ordinary Shares will be subject to the BEE Listing Terms and Conditions including the Trading Terms and Conditions.

Qualifying Investors in SAB Zenzele Kabili should ensure that they fully understand the nature of the SAB Zenzele Kabili Ordinary Shares and the extent of their exposure to risks in respect thereof, and that they consider the suitability of the SAB Zenzele Kabili Ordinary Shares as an investment in light of their own circumstances and financial position. Investment in SAB Zenzele Kabili Ordinary Shares is subject to a number of risks, including the risk of SAB Zenzele Kabili Ordinary Shares losing some or a significant part of their initial value. Qualifying Investors should be prepared to sustain a loss of their entire investment in such securities. Specialist securities such as the SAB Zenzele Kabili Ordinary Shares involve a high degree of risk, including the risk of losing some or a significant part of an investor's initial investment. SAB Zenzele Kabili Ordinary Shares represent general, unsecured, unsubordinated, contractual obligations of the Company and rank pari passu in all respects with each other. Qualifying Investors in SAB Zenzele Kabili are reminded that the SAB Zenzele Kabili Ordinary Shares constitute obligations of the Company only and of no other person. Therefore, Qualifying Investors in SAB Zenzele Kabili should understand that they are relying on the credit worthiness of the Company.

The JSE's approval of the BEE Listing should not be taken in any way as an indication of the merits of the BEE Listing.

The JSE guarantees, *inter alia*, that no SAB Zenzele Kabili Ordinary Shares will be traded on the JSE and in accordance with the terms of the rules of the JSE Guarantee Fund.

SAB Zenzele Kabili will list on the BEE Segment pursuant to the use of a BEE Verification Agent as contemplated in the JSE Listings Requirements. The SAB Zenzele Kabili Ordinary Shares will only be traded on the JSE in Dematerialised form. No documents of title will be issued to Successful Participiants.

All the Directors, whose names are set out herein, collectively and individually, accept full responsibility for the accuracy of the information given in this Prospectus as it pertains to SAB Zenzele Kabili and certify that, to the best of their knowledge and belief, there are no other facts or circumstances which would make any statement false or misleading and that they have made all reasonable enquiries to ascertain such facts and that this document contains all information required by law, the prospectus requirements under the Companies Act and Companies Regulations and the pre-listing disclosure requirements under the JSE Listings Requirements.

An abridged version of this document will be published on SENS and in the press on Friday, 27 March 2020.

DATE OF INFORMATION PROVIDED

Unless the context clearly indicates otherwise, all information provided in this Prospectus is provided as at the Last Practicable Date.
OVERVIEW OF THE NEW EMPOWERMENT TRANSACTION, REINVESTMENT OFFER AND BEE LISTING

This Section provides a summary of the most important aspects of the: (i) Reinvestment Offer; and (ii) BEE Listing, each of which forms part of the New Empowerment Transaction.

For a more detailed understanding of the Reinvestment Offer, the BEE Listing and other component parts of the New Empowerment Transaction, you should read this entire Prospectus.

Furthermore, if you are a Qualifying Investor who is a SAB Zenzele Retailer Shareholder, you are advised to read this Prospectus in conjunction with the SAB Zenzele Scheme Circular posted to you by SAB Zenzele, which sets out details of the SAB Zenzele Scheme, amongst other things.

The information set out below is summary in nature, is not comprehensive and must be read together with the detailed information and terms set out in this Prospectus and, in the case of SAB Zenzele Retailer Shareholders, the SAB Zenzele Scheme Circular.

1. WHAT IS THE NEW EMPOWERMENT TRANSACTION ALL ABOUT?

1.1 The New Empowerment Transaction proposed by AB InBev and SAB is designed, amongst other things, to facilitate a reinvestment opportunity for Qualifying Investors of their respective rights and entitlements to receive AB InBev Shares on the unwind of the Existing Empowerment Transaction. Such rights and entitlements vest on the Vesting Date.

1.2 AB InBev and SAB intend to implement the proposed New Empowerment Transaction through SAB Zenzele Kabili, by means of the following core elements:

1.2.1 The SAB Zenzele Scheme: The SAB Zenzele Scheme will be proposed by the SAB Zenzele Board between SAB Zenzele and the SAB Zenzele Retailer Shareholders, in terms of which it is proposed that each SAB Zenzele Retailer Shareholder cedes to SAB Zenzele Kabili 15% of its right and entitlement to receive AB InBev Shares pursuant to the unwind of the Existing Empowerment Transaction, in exchange for SAB Zenzele Kabili Ordinary Shares of proportional value; and

1.2.2 conditional on the SAB Zenzele Scheme being duly approved and implemented:

1.2.2.1 The Reinvestment Offer: SAB Zenzele Kabili will make an offer to Qualifying Investors to cede all or a portion of their rights and entitlements (in the case of SAB Zenzele Retailer Shareholders, less their SAB Zenzele Scheme Entitlements) to receive AB InBev Shares pursuant to the unwind of the Existing Empowerment Transaction to SAB Zenzele Kabili, in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value. This is effectively the Reinvestment Offer described and made pursuant to this Prospectus;

1.2.2.2 New ESOP subscription: The New ESOP will sell to SAB Zenzele Kabili the equivalent of R600 million worth of the AB InBev Shares contributed to it by SAB, and as consideration SAB Zenzele Kabili will issue to the New ESOP new SAB Zenzele Kabili Ordinary Shares of proportional value;

1.2.2.3 SAB Foundation subscription: The SAB Foundation has committed to reinvest up to R400 million worth of AB InBev Shares (circa. 21% of its entitlements from the unwinding of the Existing Empowerment Transaction) into SAB Zenzele Kabili. In this respect, The SAB Foundation will sell AB InBev Shares worth approximately R344 million to SAB Zenzele Kabili, and as consideration SAB Zenzele Kabili will issue to The SAB Foundation new SAB Zenzele Kabili Ordinary Shares of proportional value. The balance of the R56 million will be applied towards the Liquidity Option;

1.2.2.4 SAB Vendor Funding: SAB will sell the equivalent of R2 973 million worth of AB InBev Shares to SAB Zenzele Kabili, and as consideration SAB Zenzele Kabili will issue to SAB Zenzele Kabili Preference Shares, representing vendor funding of R2 973 million from SAB. The terms of the SAB Zenzele Kabili Preference Shares to be issued to SAB are set out in Section 1, paragraph 4.3 on page 37 of this Prospectus; [Reg 65]
1.2.2.5 **Discount Shares:** As an incentive to the Qualifying Investors to participate in the New Empowerment Transaction, following the implementation of the SAB Zenzele Scheme, SAB will contribute the equivalent of R811 million worth of AB InBev Shares (as at 31 March 2020) to SAB Zenzele Kabili at no further cost to SAB Zenzele Kabili. Accordingly, the Qualifying Investors will have exposure through SAB Zenzele Kabili to additional AB InBev Shares to which they would not have had exposure; and

1.2.2.6 **BEE Listing:** Simultaneously, or shortly after, implementation of the SAB Zenzele Scheme, SAB Zenzele Kabili will be listed on the BEE Segment pursuant to the BEE Listing, which would allow Qualifying Investors to freely trade the SAB Zenzele Kabili Ordinary Shares received pursuant to the SAB Zenzele Scheme and the Reinvestment Offer from the outset with any BEE Verified Persons. This is effectively the BEE Listing application made pursuant to this Prospectus.

1.3 A key condition precedent required to be satisfied for the New Empowerment Transaction to proceed, is that the SAB Zenzele Scheme, proposed by the SAB Zenzele Board between SAB Zenzele and the SAB Zenzele Retailer Shareholders in terms of the SAB Zenzele Scheme Circular, must be duly approved and be implemented in accordance with the terms and conditions set out in the SAB Zenzele Scheme Circular.

1.4 If the SAB Zenzele Scheme is not duly approved and implemented, then:

1.4.1 the New Empowerment Transaction will not proceed (and the Reinvestment Offer will not be available to Qualifying Investors), and the Existing Empowerment Transaction will unwind in accordance with the terms set out in the Amended and Restated Exchange Agreement on or about 31 March 2020 and the SAB Zenzele MOI; and

1.4.2 in place of the proposed New Empowerment Transaction, SAB will put in place an empowerment transaction in which only the New ESOP will participate.

1.5 If the SAB Zenzele Scheme is duly approved and implemented, then pursuant to the New Empowerment Transaction, each Qualifying Investor shall be entitled to cede all or a portion of their remaining entitlements to AB InBev Shares (in the case of SAB Zenzele Retailer Shareholders, less their SAB Zenzele Scheme Entitlements) to SAB Zenzele Kabili in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value pursuant to the Reinvestment Offer.

1.6 In respect of entitlements to AB InBev Shares that a Qualifying Investor has not ceded, pursuant to the SAB Zenzele Scheme and the Reinvestment Offer, such Qualifying Investor may elect to either:

1.6.1 be equity settled in AB InBev Shares, pursuant to the AB InBev Shares Settlement; or

1.6.2 have its AB InBev Shares sold on the JSE and/or the Euronext on its behalf by the SPV Trust and to be paid the cash proceeds arising from such sale, less associated costs and taxes, pursuant to the Sale Proceeds Settlement.

1.7 Accordingly, amongst other things, the New Empowerment Transaction comprises the following components: (i) the SAB Zenzele Scheme; (ii) the Reinvestment Offer; (iii) the BEE Listing; (iv) the AB InBev Shares Settlement; and/or (v) the Sale Proceeds Settlement.

1.8 This Prospectus relates only to the Reinvestment Offer and the BEE Listing. In particular, please refer to Section 2B commencing on page 47 of this Prospectus for further details.

1.9 Further details of the SAB Zenzele Scheme, the AB InBev Shares Settlement and the Sale Proceeds Settlement have been communicated separately to the various categories of Qualifying Investors. In the case of SAB Zenzele Retailer Shareholders, these details are set out in the SAB Zenzele Scheme Circular and in the case of the beneficiaries of The SAB Zenzele Employee Trust, details will be communicated to qualifying employees by the trustees of The SAB Zenzele Employee Trust.

### 2. WHAT DOES THIS PROSPECTUS RELATE TO?

2.1 This Prospectus is not an invitation to the general public to subscribe for SAB Zenzele Kabili Ordinary Shares.

2.2 Instead, this Prospectus is issued for the limited purpose of providing statutorily required information in connection with the:
2.2.1 **Reinvestment Offer:** being an invitation to Qualifying Investors (being: (i) SAB Zenzele Retailer Shareholders; and (ii) the beneficiaries of The SAB Zenzele Employee Trust) to participate in the Reinvestment Offer, which offer is made to Qualifying Investors on the terms and subject to the conditions set out herein; and

2.2.2 **BEE Listing:** being the listing of the Settlement Shares, as Asset Backed Securities on the BEE Segment.

2.3 Accordingly, this Prospectus only constitutes: (i) an invitation to Qualifying Investors to participate in the Reinvestment Offer; and (ii) an application for listing of the Settlement Shares pursuant to the BEE Listing, in each case on the terms and conditions set out herein.

3. **WHAT IS THE REINVESTMENT OFFER ABOUT?**

3.1 If the SAB Zenzele Scheme is duly approved and implemented, the New Empowerment Transaction will be unconditional and operative and additionally Qualifying Investors (being: (i) SAB Zenzele Retailer Shareholders; and (ii) the beneficiaries of The SAB Zenzele Employee Trust) will be provided with an election to cede all or a portion of their Settlement Entitlements (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlements remaining after having taken into account the portion of their Settlement Entitlements ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented) in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value pursuant to the Reinvestment Offer which is distinct from and in addition to the SAB Zenzele Scheme.

3.2 As such, the Reinvestment Offer made pursuant to this Prospectus comprises only: (i) an offer to retailer shareholders of SAB Zenzele (being the SAB Zenzele Retailer Shareholders); and (ii) an “employee” offer to employees and former employees of the SAB Group who are beneficiaries of The SAB Zenzele Employee Trust.

3.3 Accordingly, the Reinvestment Offer is then made to Qualifying Investors pursuant to the terms and conditions set out in this Prospectus, and Qualifying Investors should note the following in connection with participating in the Reinvestment Offer:

3.3.1 The Reinvestment Offer opens at 09:00 on **Wednesday, 19 February 2020** and closes at 16:00 on **Tuesday, 7 April 2020**.

3.3.2 On or before **Wednesday, 4 March 2020**, the SAB Zenzele Administrator will inform you of the Rand value of your Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, will be your entitlement remaining after having taken into account the portion of your Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented).

3.3.3 If you qualify to take part in the Reinvestment Offer, you will have until **Tuesday, 7 April 2020** to complete your Participation Form (green) and submit it to the SAB Zenzele Kabili Administrator to cede all or a portion of your Settlement Entitlement (which, if you are a SAB Zenzele Retailer Shareholder, will be your entitlement remaining after having taken into account the portion of your Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented) in exchange for SAB Zenzele Kabili Ordinary Shares.

3.3.4 Once duly completed Participation Forms for SAB Zenzele Kabili Ordinary Shares have been received, SAB Zenzele Kabili will then allocate such number of SAB Zenzele Kabili Ordinary Shares to be determined in accordance with the Proportional Value formula as illustrated in **Annexure 1** to this Prospectus. Such SAB Zenzele Kabili Ordinary Shares will be listed on, and can be traded on, the BEE Segment.

4. **WHAT IS THE BEE LISTING ABOUT?**

4.1 It is intended that Qualifying Investors participating in the New Empowerment Transaction (including the SAB Zenzele Scheme and Reinvestment Offer) will receive SAB Zenzele Kabili Ordinary Shares which are listed on the BEE Segment and thereby such Qualifying Investors will have the ability to trade the SAB Zenzele Kabili Ordinary Shares from the outset of implementation of the SAB Zenzele Scheme and the Reinvestment Offer (if applicable) with other BEE Verified Persons (thereby creating liquidity on day 1).

4.2 Accordingly, this Prospectus relates to the information required in terms of the applicable JSE Listings Requirements for an application for admission to listing of the Settlement Shares as Asset Backed Securities on the BEE Segment pursuant to the BEE Listing.
5. **WHY SHOULD I REINVEST MY SETTLEMENT ENTITLEMENT INSTEAD OF HOLDING SHARES IN AB INBEV DIRECTLY?**

5.1 As an incentive to the Qualifying Investors to participate in the New Empowerment Transaction, it is contemplated that following implementation of the SAB Zenzele Scheme, SAB will contribute additional AB InBev Shares to the value of approximately R811 million as at 31 March 2020 to SAB Zenzele Kabili at no further cost to SAB Zenzele Kabili, being the Discount Shares.

5.2 The Discount Shares will be in addition to the AB InBev Shares that will have been acquired by SAB Zenzele Kabili under the SAB Zenzele Scheme and the Reinvestment Offer. As a result, following implementation of the New Empowerment Transaction, the Qualifying Investors will have exposure, through SAB Zenzele Kabili, to a greater number of AB InBev Shares than they would have had but for the New Empowerment Transaction.

8. **IF THE SAB ZENZELE KABILI ADMINISTRATOR ACCEPTS MY INFORMATION, DOES THAT MEAN NO FURTHER INFORMATION IS REQUIRED?**

The obligation to give full and accurate information rests on each Participant. The acceptance of a Participation Form and supporting documentation by the SAB Zenzele Kabili Administrator, and the issuance of SAB Zenzele Kabili Ordinary Shares following acceptance of the application, does not imply that any such information has been verified or accepted as true and correct, and will not prevent SAB, SAB Zenzele, AB InBev and/or SAB Zenzele Kabili from taking action in connection therewith, including after the SAB Zenzele Kabili Ordinary Shares have been issued or transferred to you.

9. **HOW ARE APPLICATIONS PROCESSED?**

Once the Reinvestment Offer closes on **Tuesday, 7 April 2020**, the share allocation process will start, and SAB Zenzele Kabili has full discretion over how the SAB Zenzele Kabili Ordinary Shares are ultimately allocated against receipt of duly completed Participation Forms, save that the procedure below has relevance.

9.1 **Allocation of SAB Zenzele Kabili Ordinary Shares**: SAB Zenzele Kabili will allocate such number of SAB Zenzele Kabili Ordinary Shares to be determined in accordance with the Proportional Value formula, (as illustrated in **Annexure 1** to this Prospectus), to Qualifying Investors who have duly applied (through the delivery of a duly completed Participation Form) for SAB Zenzele Kabili Ordinary Shares in exchange for their Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented). Such SAB Zenzele Kabili Ordinary Shares will be listed on, and can be traded on the BEE Segment of the JSE. Whilst SAB Zenzele Kabili has full discretion over how the SAB Zenzele Kabili Ordinary Shares are ultimately allocated under the Reinvestment Offer, it intends to apply the following allocation principles:

9.1.1 Only whole numbers of SAB Zenzele Kabili Ordinary Shares to which Qualifying Investors will become entitled, will be issued and delivered to Qualifying Investors and any fractional entitlements will be rounded: (i) upwards, in the case of fractional entitlements of 0.5 or greater; and (ii) downwards, in the case of fractional entitlements less than 0.5; and
9.1.2 Qualifying Investors who have delivered a duly completed Participation Form indicating the percentage of their Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented) which they are willing to cede pursuant to the Reinvestment Offer, will be advised by the SAB Zenzele Administrator how many SAB Zenzele Kabili Ordinary Shares they will be entitled to, subject to the following principles:

9.1.2.1 each SAB Zenzele Kabili Ordinary Share will be issued at R40;

9.1.2.2 the total number of SAB Zenzele Kabili Ordinary Shares that can be issued pursuant to the Reinvestment Offer is capped at 8.6 million SAB Zenzele Kabili Ordinary Shares or an aggregate Rand amount of R344 million (the “Reinvestment Offer Cap”);

9.1.2.3 each Qualifying Investor who applies, pursuant to the delivery of duly completed Participation Forms, for SAB Zenzele Kabili Ordinary Shares of up to R5 000, is likely to receive 100% of the value of such application under the Reinvestment Offer (or a maximum of 125 SAB Zenzele Kabili Ordinary Shares in the event that an application is for SAB Zenzele Kabili Ordinary Shares worth R5 000);

9.1.2.4 if some (and not all) Qualifying Investors have applied, pursuant to the delivery of duly completed Participation Forms, for SAB Zenzele Kabili Ordinary Shares in excess of R5 000 per application, then settlement of the amount above R5 000 will be considered and will be settled on a pro rata basis after having settled those applications between R40 and R5000; and

9.1.2.5 to the extent that all (and not only some) Qualifying Investors apply, pursuant to the delivery of duly completed Participation Forms, for SAB Zenzele Kabili Ordinary Shares in excess of R5 000, then the Reinvestment Offer will be oversubscribed (i.e. applications under the Reinvestment Offer in aggregate exceed the Reinvestment Offer Cap), and the consequence of this will be that all such applications in excess of R5,000 per Qualifying Investor will be considered and settled on a pro rata basis.

9.1.2.6 The following table is illustrative of the above:

<table>
<thead>
<tr>
<th>Amount applied for:</th>
<th>Rate of allocation¹</th>
</tr>
</thead>
<tbody>
<tr>
<td>R40 to R5,000</td>
<td>100%</td>

<td>R5,000 plus 100% of the amount above R5,000 subject to the Reinvestment Offer Cap², which if breached will result in all offers above R5,000 being settled on a pro rata basis³</td>
</tr>
</tbody>
</table>

Notes:
1. Allocations under the Reinvestment Offer will be granted in increments of R40 per SAB Zenzele Kabili Ordinary Share.
2. The Reinvestment Offer is capped at R344 million or 8.6 million SAB Zenzele Kabili Ordinary Shares.
3. Represents a balancing figure. Applications above R5,000 will be settled on a pro rata basis.

9.2 Status updates: SAB Zenzele Kabili will provide updates, as and when appropriate, on the allocation process and the Reinvestment Offer in general, on SENS, the press, its website and via SMS.

9.3 Confirmation of allocation: Successful Participants will be notified, by no later than Thursday, 9 April 2020, by way of telephone, email or SMS of the number of SAB Zenzele Kabili Ordinary Shares allocated to them and the number of AB InBev Shares comprising their Settlement Entitlement that have been ceded to SAB Zenzele Kabili.

10. HOW WILL ALLOCATED SAB ZENZELE KABIILI ORDINARY SHARES BE SETTLED?

10.1 The SAB Zenzele Kabili Ordinary Shares allocated to Successful Participants will be issued in Dematerialised form only (i.e. you will not receive a share certificate).

10.2 Accordingly, SAB Zenzele Kabili will cause a Dematerialised securities account to be opened with the SAB Zenzele Kabili Administrator (or a third party service provider). On the Effective Date, SAB Zenzele Kabili will cause to be issued and transferred to such Successful Participants, the allocated SAB Zenzele Kabili Ordinary Shares due to them, which will be credited and delivered to either:
10.2.1 the securities account with a CSDP or Broker specified by the Successful Participant in the Participation Form; or

10.2.2 if the Successful Participant does not have such a securities account in place, an individual sub-account with a new Dematerialised securities account to be opened with the SAB Zenzele Kabili Administrator (or a third party service provider).

11. ARE THERE ANY HIDDEN COSTS IN APPLYING FOR ZENZELE KABILI SHARES UNDER THE REINVESTMENT OFFER?

There are no hidden commissions or incentives for which you will be liable under the Reinvestment Offer.

12. I AM AN SAB ZENZELE RETAILER SHAREHOLDER – AM I GUARANTEED THE RIGHT TO REINVEST MY AB INBEV SHARES INTO SAB ZENZELE KABILI UNDER THE REINVESTMENT OFFER?

12.1 No. The opportunity to reinvest all or some of the value of your AB InBev Shares into SAB Zenzele Kabili is subject to the SAB Zenzele Scheme being duly approved and implemented, and consequently the New Empowerment Transaction proceeding.

12.2 If the SAB Zenzele Scheme is not duly approved by SAB Zenzele Shareholders or does not otherwise proceed, there will be no option to reinvest a portion of the value of your AB InBev Shares into SAB Zenzele Kabili.

12.3 Assuming the SAB Zenzele Scheme is duly approved and proceeds, then 15% of the respective rights and entitlements of SAB Zenzele Retailer Shareholders to the Settlement Entitlement under the Existing Empowerment Transaction will automatically be reinvested pursuant to the SAB Zenzele Scheme. Should SAB Zenzele Retailer Shareholders wish to reinvest all or a portion of their remaining Settlement Entitlement (being their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if duly approved and implemented), then the number of SAB Zenzele Kabili Ordinary Shares to be allocated to a SAB Zenzele Retailer Shareholder will be determined in accordance with the Proportional Value formula as illustrated in Annexure 1 to this Prospectus.

3. HISTORY, STATE OF AFFAIRS AND PROSPECTS OF SAB ZENZELE KABILI (Reg 59)

3.1 History and general business description

3.1.1 SAB Zenzele Kabili was incorporated and registered as a public company on 5 December 2019 in South Africa. As a result, SAB Zenzele Kabili has not traded and has not conducted any business, other than in connection with the preparation of this Prospectus.

3.1.2 The Company was established with the intended purpose of being a special purpose company, with the sole objective of facilitating participation in the New Empowerment Transaction, principally through:

3.1.2.1 acquiring AB InBev Shares pursuant to the SAB Zenzele Scheme (if the SAB Zenzele Scheme is duly approved by SAB Zenzele Shareholders and implemented) and in consideration issuing SAB Zenzele Kabili Ordinary Shares;

3.1.2.2 acquiring additional AB InBev Shares pursuant to the Reinvestment Offer from Qualifying Investors and in consideration issuing SAB Zenzele Kabili Ordinary Shares;

3.1.2.3 receiving the Discount Shares to be contributed by SAB following the implementation of the SAB Zenzele Scheme;

3.1.2.4 acquiring AB InBev Shares pursuant to the SAB Vendor Funding (as more fully described in Section 2A, paragraph 2.1 on page 41 of this Prospectus) and in consideration issuing SAB Zenzele Kabili Preference Shares; and

3.1.2.5 implementing the BEE Listing, being the listing of the Settlement Shares, such that, after the implementation of the New Empowerment Transaction, SAB Zenzele Kabili will hold up to approximately 0.2% of the issued shares of AB InBev.

3.1.3 SAB Zenzele Kabili is therefore a newly incorporated company with no historical performance and no subsidiaries.

3.1.4 The Board have appointed PricewaterhouseCoopers Inc. as the auditors to SAB Zenzele Kabili, who confirm, in the Independent Reporting Accountant's report contained in Annexure 12 to this Prospectus, that the Company has not completed its first financial year since incorporation and therefore has not produced its first set of annual financial statements.

3.1.5 Given that SAB Zenzele Kabili will not conduct any business other than holding AB InBev Shares (received pursuant to implementation of the several components of the New Empowerment Transaction), Qualifying Investors are referred to AB InBev’s audited annual financial statements for the financial years ended 31 December 2016, 2017 and 2018, respectively, which are hereby incorporated by reference into this Prospectus. For the avoidance of doubt, corporate actions undertaken by AB InBev may affect SAB Zenzele Kabili and other holders of AB InBev Shares. Qualifying Investors are referred to Section 5 commencing on page 64 of this Prospectus, for further information on AB InBev and the AB InBev Shares.

3.1.6 Subject to the provisions of the SAB Zenzele Kabili MOI, SAB Zenzele Kabili’s sole business and objective is to:

3.1.6.1 enter into and perform its obligations under the New Empowerment Transaction and the New Empowerment Transaction Agreements to which it is a party;

3.1.6.2 carry on the business of holding and managing its AB InBev Shares, cash and such other property as may be received or acquired solely by virtue of or in relation to the AB InBev Shares, in each case in accordance with and subject to the New Empowerment Transaction Agreements to which it is a party;

3.1.6.3 receive, distribute and otherwise deal with any dividends and other distributions it receives in respect of its AB InBev Shares in each case in terms of the New Empowerment Transaction Agreements to which it is a party;

3.1.6.4 maintain its listing on the BEE Segment and/or on another recognised securities exchange licensed in South Africa;

3.1.6.5 appoint such advisors as the Board may consider to have the requisite knowledge and experience required to assist the Company to achieve its objects; and

3.1.6.6 do such things and perform such functions as are ancillary to the foregoing.

3.1.7 SAB Zenzele Kabili’s capacity and authority (and that of the Board) is accordingly limited to the purposes described above. These limitations are set out in the SAB Zenzele Kabili MOI, an extract of such key limitations is included in Annexure 4 to this Prospectus.
3.2 Government protection and investment encouragement law
There is no government protection or investment encouragement law affecting SAB Zenzele Kabili.

3.3 Material Changes

3.3.1 Since its incorporation, SAB Zenzele Kabili has:

3.3.1.1 issued one SAB Zenzele Kabili Ordinary Share to SAB, to enable the Company to obtain all the necessary shareholder approvals required for implementation of the New Empowerment Transaction;

3.3.1.2 concluded the New Empowerment Transaction Agreements to which it is a party and adopted the SAB Zenzele Kabili MOI; and

3.3.1.3 taken various preparatory steps to enable implementation of the BEE Listing and the New Empowerment Transaction.

3.3.2 No other material changes in the assets or liabilities or the financial and trading position of SAB Zenzele Kabili or the state of affairs of SAB Zenzele Kabili have taken place between the date of its incorporation and the date of this Prospectus. The Board has made this negative statement after due and careful inquiry and there has been no involvement by the auditors of the Company in making the foregoing negative statement.

3.4 Subsidiary companies, principal immovable property and capital commitments

3.4.1 As at the Last Practicable Date, other than as set out in this Prospectus, SAB Zenzele Kabili has no:

3.4.1.1 subsidiary companies; or

3.4.1.2 immovable property (owned or leased); or

3.4.1.3 material capital commitments, lease payments or contingent liabilities.

3.5 Prospects

3.5.1 SAB Zenzele Kabili's performance is dependent upon many market factors, including *inter alia*: (i) the performance of the underlying AB InBev Shares held by SAB Zenzele Kabili (including as to movements in the share price and the timing, size and frequency, if any, of dividends derived thereon); (ii) movements in the financing rates applicable to the preference shares issued to SAB pursuant to the SAB Vendor Funding (as more fully described in Section 2A, paragraph 2.1.2.2.4 on page 42 of this Prospectus); and (iii) any movements in the financing rates with respect to any further debts incurred by SAB Zenzele Kabili, if applicable.

3.5.2 Qualifying Investors are referred to AB InBev’s: (i) latest annual report for the financial year ended 31 December 2018; (ii) Form 20-F for the financial year ended 31 December 2018; and (iii) the unaudited interim results for the six month period ended 30 June 2019. Copies of this information is available on AB InBev’s website at: https://www.ab-inbev.com/investors.html. *The information contained therein has not been independently reviewed, audited, verified or updated by SAB Zenzele Kabili, SAB and/or any of its or their directors, employees, professional advisors, external auditors or the like, and no such persons take any responsibility for the accuracy or completeness of its contents, or the matters reflected therein.*

3.5.3 Furthermore, the prospects of SAB Zenzele Kabili are dependent on the factors set out in paragraph 3.6 below.

3.5.4 Having considered these factors, the Board is of the opinion that the prospects of SAB Zenzele Kabili are satisfactory.

3.6 Key factors associated with SAB Zenzele Kabili Ordinary Shares

3.6.1 Following implementation of the New Empowerment Transaction, SAB Zenzele Kabili’s only material investment and asset will consist of AB InBev Shares.

3.6.2 Consequently, the value and the dividend return of a SAB Zenzele Kabili Ordinary Share is dependent primarily on the following key factors:

3.6.2.1 the market price of the AB InBev Shares, which may decline;

3.6.2.2 the dividends received on the AB InBev Shares;

3.6.2.3 the preferential dividend payable on the SAB Zenzele Kabili Preference Shares (in this regard, please refer to *Annexure 6* to this Prospectus setting out the key provisions of the SAB Zenzele Kabili Preference Shares);
3.6.2.4 the financing costs and related liabilities of SAB Zenzele Kabili;
3.6.2.5 the total expenses and taxes incurred by SAB Zenzele Kabili in its day-to-day running and operation;
3.6.2.6 tax implications pursuant to the holding of such SAB Zenzele Kabili Ordinary Shares;
3.6.2.7 the risks associated with the business of AB InBev, and accordingly Qualifying Investors are generally referred to the risk factors set out in AB InBev's Form 20-F for the financial year ended 31 December 2018 (a copy of which is available on AB InBev's website at: https://www.ab-inbev.com/investors.html), and summarised in Section 5 of this Prospectus.

3.6.3 There is no guarantee that an active trading market for the SAB Zenzele Kabili Ordinary Shares will develop and continue after the BEE Listing. In addition, the BEE Segment may prove to offer less liquidity than other segments of the JSE or other internationally-recognised stock exchanges. Given its listing on the BEE Segment, the SAB Zenzele Kabili Ordinary Shares are subject to various restrictions as set out in this Prospectus, including, inter alia, that they may only be transferred to BEE Verified Persons. Subsequent to the BEE Listing and for the duration of the BEE Listing Period, any person who wishes to buy or receive transfer of SAB Zenzele Kabili Ordinary Shares will be required to complete the BEE Verification process and become a BEE Verified Person. Accordingly, there may be a limited pool of persons eligible to buy and sell SAB Zenzele Kabili Ordinary Shares.

SECTION 2A: INFORMATION ABOUT THE NEW EMPOWERMENT TRANSACTION [Reg 56]

1. **INTRODUCTION AND BACKGROUND**

1.1 In 2010, SABMiller (through its South African subsidiary, SAB) implemented a BEE transaction known as SAB Zenzele (the “Existing Empowerment Transaction”). Amongst other things, the Existing Empowerment Transaction involved SAB issuing:

1.1.1 approximately 3.52% of its total issued shares at the time to SAB Zenzele, who in turn offered to issue SAB Zenzele Shares to SAB Zenzele Retailer Shareholders;

1.1.2 approximately 3.39% of its total issued shares at the time to The SAB Zenzele Employee Trust, which held such shares for the benefit of certain qualifying employees of the SAB Group; and

1.1.3 approximately 1.54% of its total issued shares at the time to The SAB Foundation.

1.2 The following diagram depicts the Existing Empowerment Transaction structure:

![Diagram showing the Existing Empowerment Transaction structure]

1.3 The Existing Empowerment Transaction was established as a 10 year scheme to, amongst other things, give qualifying SAB Group retailers and employees a chance to indirectly own shares in SAB through their ownership of SAB Zenzele Shares and to participate in, and become entitled to, the profits of SAB and, at the end of the 10 year transaction term, to become direct shareholders of SABMiller, the ultimate shareholder of SAB.

1.4 The Original Exchange Agreement, which was entered into in 2010, defined the basis of the unwind of the Existing Empowerment Transaction. It was originally intended that, on maturity of the Existing Empowerment Transaction’s 10 year term, the following exchange transactions would occur at the end of March 2020:

1.4.1 qualifying SAB Zenzele Retailer Shareholders who had been holding SAB Zenzele Shares under the Existing Empowerment Transaction would transfer their SAB Zenzele Shares to SABMiller (or its nominee) and in exchange, SABMiller would issue such number of SABMiller shares to the SAB Zenzele Retailer Shareholders as determined in accordance with the formula set out in the Original Exchange Agreement (the “SAB Zenzele Exchange”);

1.4.2 The SAB Zenzele Employee Trust would transfer the SAB shares held by it on behalf of SAB employees to SABMiller and in exchange, SABMiller would issue such number of SABMiller shares to The SAB Zenzele Employee Trust as determined in accordance with the formula set out in the Original Exchange Agreement (and such SABMiller shares would ultimately be distributed to the relevant SAB employees); and

1.4.3 The SAB Foundation would transfer the SAB shares held by it to SABMiller and in exchange, SABMiller would issue such number of SABMiller shares to The SAB Foundation as determined in accordance with the formula set out in the Original Exchange Agreement,
In 2016, following implementation of the Existing Empowerment Transaction, SABMiller entered into a combination transaction with AB InBev. As part of this transaction, SABMiller’s obligations in respect of the Original Exchange Transactions were assumed by AB InBev in terms of the Amended and Restated Exchange Agreement, with the result that AB InBev (and not SABMiller) would be required to transfer, or procure the transfer of, AB InBev Shares to SAB Zenzele Participants on the unwind of the Existing Empowerment Transaction (the “Amended Exchange Transaction”).

The Existing Empowerment Transaction is due to unwind on or about 31 March 2020 in accordance with the Amended Exchange Transaction, with the effect that the SAB Zenzele Participants would receive such number of AB InBev Shares, as determined in accordance with the formula set out in the Amended and Restated Exchange Agreement.

Amongst other things, SAB Zenzele Retailer Shareholders will, pursuant to the Amended Exchange Transactions, be required to exchange their SAB Zenzele Shares for such number of AB InBev Shares, as is determined in accordance with the formula set out in the Amended and Restated Exchange Agreement.

In conjunction with the contemplated unwind of the Existing Empowerment Transaction on 31 March 2020, SAB has received consistent feedback from certain participants of the Existing Empowerment Transaction that they wish to be provided with an opportunity to reinvest some or all of the value to which they will be entitled on the unwind of the Existing Empowerment Transaction.

Having taken such feedback into account, AB InBev and SAB appointed financial and other advisors to explore options available to make such reinvestment opportunity available to SAB Zenzele Retailer Shareholders (as well as other Qualifying Investors). As a result, it was decided that:

1.9.1 the Existing Empowerment Transaction will unwind in the ordinary course in accordance with its terms, that is: (i) each SAB Zenzele Retailer Shareholder’s SAB Zenzele Shares will be transferred to AB InBev; and (ii) in exchange, the SAB Zenzele Retailer Shareholder will be entitled to its Retailer Settlement Entitlement which will vest on the Vesting Date under the Existing Empowerment Transaction; and

1.9.2 in conjunction with the unwind of the Existing Empowerment Transaction and to afford SAB Zenzele Retailer Shareholders the opportunity to reinvest all (or a portion) of their Retailer Settlement Entitlements, AB InBev is proposing implementation of a new BEE ownership transaction, known as SAB Zenzele Kabili (the “New Empowerment Transaction”), which will (amongst other things) comprise of the SAB Zenzele Scheme and the Reinvestment Offer. Details of the New Empowerment Transaction are discussed in more detail in this Section 2A, paragraph 2 on page 41 of this Prospectus below. The SAB Zenzele Board believes the New Empowerment Transaction is an economically attractive proposal for all participants.

Participants in the New Empowerment Transaction will include the SAB Zenzele Retailer Shareholders, The SAB Foundation, the beneficiaries of The SAB Zenzele Employee Trust and the New ESOP.

2. THE NEW EMPOWERMENT TRANSACTION [Reg 70]

2.1 New Empowerment Transaction

2.1.1 The New Empowerment Transaction proposed by AB InBev and SAB is designed, amongst other things, to facilitate a reinvestment opportunity for Qualifying Investors of their right and entitlement to receive AB InBev Shares on the unwind of the Existing Empowerment Transaction. Such rights and entitlements vest on the Vesting Date.

2.1.2 AB InBev and SAB intend to implement the proposed New Empowerment Transaction through SAB Zenzele Kabili, by means of the following core elements:

2.1.2.1 The SAB Zenzele Scheme: The SAB Zenzele Scheme proposed by the SAB Zenzele Board between SAB Zenzele and the SAB Zenzele Retailer Shareholders, in terms of which it is proposed that each SAB Zenzele Retailer Shareholder cedes to SAB Zenzele Kabili 15% of its right and entitlement to receive AB InBev Shares pursuant to the unwind of the Existing Empowerment Transaction, in exchange for SAB Zenzele Kabili Ordinary Shares of proportional value;
conditional on the SAB Zenzele Scheme being duly approved and implemented:

2.1.2.2.1 **The Reinvestment Offer:** SAB Zenzele Kabili will make an offer to Qualifying Investors to cede all or a portion of their rights (in the case of SAB Zenzele Retailer Shareholders, less their SAB Zenzele Scheme Entitlements) to receive AB InBev Shares pursuant to the unwind of the Existing Empowerment Transaction to SAB Zenzele Kabili, in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value. This is effectively the Reinvestment Offer described and made pursuant to this Prospectus;

2.1.2.2.2 **New ESOP subscription:** The New ESOP will sell to the Company the equivalent of R600 million worth of the AB InBev Shares contributed to it by SAB, and as consideration the Company will issue new SAB Zenzele Kabili Ordinary Shares of an equivalent value to the New ESOP, on the terms and subject to the conditions set out in the New ESOP Subscription Agreement;

2.1.2.2.3 **The SAB Foundation subscription:** The SAB Foundation has committed to reinvest up to R400 million (i.e. 20% of its proceeds/entitlements from the unwinding of the Existing Empowerment Transaction) into the Company. To this end, The SAB Foundation will sell AB InBev Shares worth approximately R344 million to the Company, and as consideration the Company will issue to The SAB Foundation new SAB Zenzele Kabili Ordinary Shares of proportional value, on the terms and subject to the conditions of The SAB Foundation Subscription Agreement;

2.1.2.2.4 **SAB Vendor Funding:** SAB will sell the equivalent of R2 973 million worth of AB InBev Shares to SAB Zenzele Kabili, and as consideration SAB Zenzele Kabili will issue SAB Zenzele Kabili Preference Shares to SAB pursuant to the terms of the SAB Zenzele Kabili Preference Share Subscription Agreement and the SAB Vendor Funding Security Agreements, representing vendor funding of R2 973 million from SAB (“SAB Vendor Funding”). The terms of the SAB Zenzele Kabili Preference Shares to be issued to SAB are set out in Section 1, paragraph 4.3 on page 37 of this Prospectus and [Annexure 6]; [Reg 65]

2.1.2.2.5 **Discount Shares:** As an incentive to the Qualifying Investors to participate in the New Empowerment Transaction, following implementation of the SAB Zenzele Scheme, SAB will contribute the equivalent of AB InBev Shares to the value of approximately R811 million (as at 31 March 2020) to SAB Zenzele Kabili at no further cost to SAB Zenzele Kabili (the “Discount Shares”). Accordingly, the Qualifying Investors will have exposure through SAB Zenzele Kabili to additional AB InBev Shares, to which they would not have had exposure;

2.1.2.2.6 **BEE Listing:** Simultaneously, or shortly after, implementation of the SAB Zenzele Scheme, SAB Zenzele Kabili will be listed on the BEE Segment pursuant to the BEE Listing, which would allow Qualifying Investors to freely trade the SAB Zenzele Kabili Ordinary Shares received pursuant to the SAB Zenzele Scheme and the Reinvestment Offer from the outset with any BEE Verified Persons. In this respect, the JSE has granted SAB Zenzele Kabili, subject to the SAB Zenzele Scheme being duly approved and implemented, a listing in the Non-equity Investment Instruments sub-sector, in the BEE Segment, under share code “SZK”, ISIN code ZAE000284196 and the abbreviated name “SABKabili”, with effect from the commencement of business on Tuesday, 15 April 2020. This is effectively the BEE Listing application made pursuant to this Prospectus.
2.5 **Rationale for the New Empowerment Transaction (and the Reinvestment Offer)**

SAB is of the view that the New Empowerment Transaction is compelling for, amongst others, the following reasons:

2.5.1 It has received consistent feedback from participants of the Existing Empowerment Transaction that they wish to be provided with a reinvestment opportunity on the unwind of the Existing Empowerment Transaction, as has been provided by other South African companies on the unwind of similar type of BEE transactions. The New Empowerment Transaction has been designed to facilitate such further reinvestment of some or all of the value realised by them under the Existing Empowerment Transaction.

2.5.2 Under the Existing Empowerment Transaction, participants indirectly hold shares in unlisted SAB and consequently do not have the ability to freely trade their shares (until such time as liquidity is delivered in the form of AB InBev Shares on the unwind of the Existing Empowerment Transaction). In contrast, the New Empowerment Transaction facilitates liquidity from the outset of implementation, as SAB Zenzele Kabili Ordinary Shares to be received by Qualifying Investors in the New Empowerment Transaction will be listed on the BEE Segment and thereby allow them the ability to trade their SAB Zenzele Kabili Ordinary Shares from the outset of implementation of the Reinvestment Offer with BEE Verified Persons (thereby creating liquidity on day one).

2.5.3 As an incentive to SAB Zenzele Retailer Shareholders to participate in the New Empowerment Transaction, following implementation of the SAB Zenzele Scheme, SAB will contribute the Discount Shares to SAB Zenzele Kabili, being such number of AB InBev Shares equal to the value of approximately R811 million as at 31 March 2020. As a result, the participants in the New Empowerment Transaction will have exposure through SAB Zenzele Kabili to additional AB InBev Shares to which the SAB Zenzele Retailer Shareholders would not have had exposure but for the New Empowerment Transaction.

2.5.4 Under the Existing Empowerment Transaction, the commencement gearing was 100% of the total asset value. The capital structure of the New Empowerment Transaction has been designed on a sustainable basis, with the commencement gearing level at 55% of the total asset value. This is made possible by the 15% entry discount and 30% equity contribution level. Furthermore, the SAB Vendor Funding provided by SAB will be at a very attractive rate of 70% of Prime.

2.5.5 The Existing Empowerment Transaction was (at its inception) implemented at the South Africa operations level. The New Empowerment Transaction will be implemented at the AB InBev group level. The advantage of implementing the New Empowerment Transaction at the listed level is a transparent value proposition allowing the various BEE participants the ability to value the underlying net asset value on a continuous basis and provides global diversification to the BEE participants through exposure to all of AB InBev’s operations.

2.6 **Rationale for the BEE Listing**

2.6.1 It is anticipated that the BEE Listing will provide the shareholders of SAB Zenzele Kabili with:

- enhanced liquidity due to wider access to buyers and sellers;
- easier price discovery as JSE prices are published in most major print and electronic financial publications; and
- increased investor protection as a result of: (i) the JSE being a regulated market; and (ii) monitoring of market abuse activities in connection with the SAB Zenzele Kabili Ordinary Shares, including insider trading.

2.6.2 On the other hand, there are certain consequences that arise from listing on the BEE Segment including:

- the incremental once-off and ongoing costs that will be incurred by SAB Zenzele Kabili in respect of the implementation and maintenance of the BEE Listing;
- SAB Zenzele Kabili being required in terms of the JSE Listings Requirements to indemnify the JSE and certain Market Participants (see Section 2B, paragraph 12 on page 57 of this Prospectus); and
- it will be necessary for any person who wishes to buy or receive transfer of SAB Zenzele Kabili Ordinary Shares following implementation of the New Empowerment Transaction to complete the BEE Verification process and become a BEE Verified Person. Further details on the BEE Verification process are set out in Section 2B, paragraph 11 on page 54 of this Prospectus.
2.7 New Empowerment Transaction condition precedent

2.7.1 The implementation of the Reinvestment Offer and the BEE Listing is subject to the suspensive condition that the SAB Zenzele Scheme is approved by the requisite majority of SAB Zenzele Shareholders and its successful implementation in accordance with its terms as more fully set out in the SAB Zenzele Scheme Circular.

2.7.2 If the SAB Zenzele Scheme is not duly approved and implemented, then:

2.7.2.1 the New Empowerment Transaction will not proceed (and the Reinvestment Offer will not be available to Qualifying Investors), and the Existing Empowerment Transaction will unwind in accordance with the terms set out in the Amended and Restated Exchange Agreement on or about 31 March 2020; and

2.7.2.2 in place of the proposed New Empowerment Transaction, SAB may put in place an empowerment transaction in which only the New ESOP and/or The SAB Foundation will participate.

2.8 Agreements to implement the New Empowerment Transaction

2.8.1 SAB Zenzele Kabili has entered into the following transaction agreements in order to implement the New Empowerment Transaction (collectively, the “New Empowerment Transaction Agreements”):

2.8.1.1 Implementation Agreement: The implementation agreement entered into between SAB, AB InBev, SAB Zenzele, SAB Zenzele Kabili and the SPV Trust on or about 12 February 2020, which sets out the respective rights and obligations of each party thereto in respect of the implementation of the New Empowerment Transaction, including the SAB Zenzele Scheme and the Reinvestment Offer (the “Implementation Agreement”);

2.8.1.2 Sub Stock Lending Agreement (SAB Zenzele Kabili and SAB): The sub stock lending agreement entered into between SAB and SAB Zenzele Kabili, dated on or about 18 December 2019. In terms of this agreement, SAB agrees to procure the delivery of: (i) AB InBev Shares to the value of approximately R2 973 million being the vendor funding shares referred to above; and (ii) the Discount Shares, following implementation of the SAB Zenzele Scheme (“Sub Stock Lending Agreement (SAB Zenzele Kabili and SAB)’’);

2.8.1.3 SAB Zenzele Kabili Preference Share Subscription Agreement: The SAB Zenzele Kabili preference share subscription agreement entered into between SAB and SAB Zenzele Kabili, on or about 6 February 2020. In terms of this agreement, SAB Zenzele Kabili agrees to issue the SAB Zenzele Kabili Preference Shares to SAB as consideration for the R2 973 million worth of AB InBev Shares referred to in this Section 2A, paragraph 2.8.1.2 on page 45 of this Prospectus, (the “SAB Zenzele Kabili Preference Share Subscription Agreement’’);

2.8.1.4 Sub Stock Lending Agreement (SAB Zenzele Kabili and New ESOP): The sub stock lending agreement (SAB Zenzele Kabili and New ESOP) entered into between SAB Zenzele Kabili and the New ESOP, dated on or about 18 December 2019. In terms of this agreement, the New ESOP agrees to procure the delivery of AB InBev Shares to the value of approximately R720 million in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value (“Sub Stock Lending Agreement (SAB Zenzele Kabili and New ESOP)”);

2.8.1.5 New ESOP Subscription Agreement: The New ESOP subscription agreement entered into between SAB Zenzele Kabili and the New ESOP, dated on or about 6 February 2020. In terms of this agreement, the New ESOP agrees to contribute to SAB Zenzele Kabili the equivalent of AB InBev Shares with a value of approximately R600 million in exchange for SAB Zenzele Kabili Ordinary Shares of a proportional value on the terms and subject to the conditions set out in the Contribution Agreement (defined below) (the “New ESOP Subscription Agreement”). In addition, it is anticipated that the New ESOP will appoint a placement agent to sell, on its behalf, AB InBev Shares with a value of approximately R120 million and use the sale proceeds to give effect to its obligations under the Liquidity Option or in the market following the implementation of the New Empowerment Transaction.

2.8.1.6 Contribution Agreement: The contribution agreement entered into between SAB Zenzele Kabili and SAB, on or about 6 February 2020. In terms of this agreement, SAB agrees to contribute the Discount Shares to SAB Zenzele Kabili (the “Contribution Agreement”).
2.8.1.7 **The SAB Foundation Subscription Agreement:** The SAB Foundation subscription agreement entered into between The SAB Foundation and SAB Zenzele Kabili, on or about 6 February 2020. In terms of this agreement, The SAB Foundation agrees to cede to SAB Zenzele Kabili the right to receive up to 20% of AB InBev Shares and as consideration, SAB Zenzele Kabili will issue new SAB Zenzele Kabili Ordinary Shares of proportional value (**"The SAB Foundation Subscription Agreement"**). The number of SAB Zenzele Kabili Ordinary Shares that The SAB Foundation is obliged to subscribe for will be reduced to the extent of the Qualifying Investors’ acceptance of the Reinvestment Offer, in accordance with the terms and conditions of The SAB Foundation Subscription Agreement.

2.8.1.8 **Sub Stock Lending Agreement (SAB Zenzele Kabili and The SAB Foundation):** The Sub Stock Lending Agreement (SAB Zenzele Kabili and The SAB Foundation), entered into between SAB Zenzele Kabili and The SAB Foundation, dated on or about 18 December 2019. In terms of this agreement, The SAB Foundation agrees to procure the delivery of AB InBev Shares worth a maximum amount of approximately R344 million in exchange for SAB Zenzele Kabili Ordinary Shares of proportional value on the terms and subject to the conditions set out in The SAB Foundation Subscription Agreement (**"Sub Stock Lending Agreement (SAB Zenzele Kabili and The SAB Foundation)"**).

2.9 **The relevance of this Prospectus to the New Empowerment Transaction**

2.9.1 If the SAB Zenzele Scheme is duly approved and implemented, then pursuant to the New Empowerment Transaction, each Qualifying Investor shall be entitled to cede all a portion of their Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented) to AB InBev Shares to SAB Zenzele Kabili in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value pursuant to the Reinvestment Offer.

2.9.2 In respect of entitlements to AB InBev Shares that a participant of the Existing Empowerment Transaction has not ceded, pursuant to the SAB Zenzele Scheme and the Reinvestment Offer, such participant may elect to either:

2.9.2.1 be equity settled in AB InBev Shares (**"AB InBev Shares Settlement"**); or

2.9.2.2 have their AB InBev Shares sold on the JSE and/or the Euronext on their behalf by the SPV Trust and to be paid the cash proceeds arising from such sale, less associated costs and taxes (**"Sale Proceeds Settlement"**).

2.9.3 Accordingly, amongst other things, the New Empowerment Transaction comprises of the following components: (i) the SAB Zenzele Scheme; (ii) Reinvestment Offer; (iii) the BEE Listing; (iv) the AB InBev Shares Settlement; and/or (v) the Sale Proceeds Settlement.

2.9.4 This Prospectus relates only to the Reinvestment Offer and the BEE Listing. In particular, please refer to Section 2B commencing on page 47 of this Prospectus for further details on the Reinvestment Offer and the BEE Listing.

2.9.5 Further details of the SAB Zenzele Scheme, the AB InBev Shares Settlement and the Sale Proceeds Settlement have been communicated separately to the various categories of Qualifying Investors. In the case of SAB Zenzele Retailer Shareholders, these details are set out in the SAB Zenzele Scheme Circular and in the case of the beneficiaries of The SAB Zenzele Employee Trust, details will be communicated by the trustees of The SAB Zenzele Employee Trust.
SECTION 2B: INFORMATION ABOUT THE REINVESTMENT OFFER AND BEE LISTING
[Reg 56]

This Section sets out the terms, conditions, process and procedures in terms of which SAB Zenzele Kabili invites Qualifying Investors to participate in the Reinvestment Offer.

Qualifying Investors should make their investment decision to participate in the Reinvestment Offer on the basis of the disclosures of the New Empowerment Transaction, AB InBev and AB InBev Shares and other disclosures through this Prospectus.

1. REINVESTMENT OFFER AND BEE LISTING

1.1 If the SAB Zenzele Scheme is duly approved and is implemented, the New Empowerment Transaction will become unconditional and operative and additionally Qualifying Investors will be provided with an election to cede all or a portion of their Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented) in exchange for SAB Zenzele Kabili Ordinary Shares of Proportional Value pursuant to the Reinvestment Offer which is distinct from and in addition to the SAB Zenzele Scheme.

1.2 The terms and conditions subject to which the Reinvestment Offer is made to Qualifying Investors is set out in this Section 2B commencing on page 47 of this Prospectus.

1.3 The rationale for the Reinvestment Offer and BEE Listing, to be considered collectively with the other components of the New Empowerment Transaction, is set out in Section 2A, paragraphs 2.5 and 2.6 on page 44 of this Prospectus.

2. TIME AND DATE OF THE OPENING AND CLOSING OF REINVESTMENT OFFER [Reg 71]

The Reinvestment Offer will open on Wednesday, 19 February 2020 at 09:00 and close on Tuesday, 7 April 2020 at 16:00.

3. PARTICULARS OF THE REINVESTMENT OFFER [Reg 72]

3.1 General

| Class of SAB Zenzele Kabili Shares forming the subject matter of the Reinvestment Offer | 8,595,657 SAB Zenzele Kabili Ordinary Shares of no par value |
| Price per SAB Zenzele Kabili Ordinary Share | R40.00 |

3.2 Save for the initial issue of one SAB Zenzele Kabili Ordinary Share to SAB as described in Section 1, paragraph 4.4.3 on page 37 of this Prospectus, SAB Zenzele Kabili has not issued any other securities since its incorporation on 5 December 2019, nor has it issued any securities for a premium.

4. MINIMUM SUBSCRIPTION [Reg 73]

There is no minimum subscription in respect of the Reinvestment Offer. However, implementation of the Reinvestment Offer is dependent on the approval and successful implementation of the SAB Zenzele Scheme. If the SAB Zenzele Scheme is not approved by SAB Zenzele Shareholders, the Reinvestment Offer and BEE Listing will not be implemented.

5. QUALIFYING MEMBERS

5.1 Only Qualifying Investors (being: (i) SAB Zenzele Retailer Shareholders; and (ii) the beneficiaries of The SAB Zenzele Employee Trust) qualify to participate in Reinvestment Offer.

5.2 The SAB Zenzele Kabili Ordinary Shares which will be issued to Successful Participants pursuant to the Reinvestment Offer and other components of the New Empowerment Transaction will be listed on the BEE Segment. The JSE generally operates on the principle that there are no restrictions
in respect of the transferability of the securities that are listed on it. The BEE Segment differs, however, in that the transfer of securities listed on that segment (i.e. BEE Securities) is restricted and may only be made to purchasers that are deemed to be BEE Verified Persons. The JSE Listings Requirements and rules of the JSE provide that BEE Securities may only be transferred between BEE Verified Persons.

5.3 However, as part of the New Empowerment Transaction: (i) certain Qualifying Investors who are not Black Groups will become SAB Zenzele Kabili Ordinary Shareholders on implementation of the New Empowerment Transaction; and (ii) certain beneficiaries of the New ESOP who are not Black People may from time to time become SAB Zenzele Kabili Ordinary Shareholders. In this regard, such persons shall: (i) only be entitled to hold SAB Zenzele Kabili Ordinary Shares in a nominee account with the Custody Entity; (ii) only be entitled to sell, transfer or otherwise dispose of their SAB Zenzele Kabili Ordinary Shares to a BEE Verified Person through the Trading Entity; and (iii) shall not be entitled to acquire any further SAB Zenzele Kabili Ordinary Shares. Should any such person wish to sell, transfer or otherwise dispose of their SAB Zenzele Kabili Ordinary Shares, they will need to contact the SAB Zenzele Kabili call centre, operated by the SAB Zenzele Kabili Administrator on 0861 900 903 during the hours of 09:00 to 17:00 from Monday to Friday.

6. PARTICIPATION IN REINVESTMENT OFFER

6.1 Participation and participation procedure

6.1.1 On or before Wednesday, 4 March 2020, the SAB Zenzele Administrator will inform each Qualifying Investor of the Rand value of its Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, will be their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented).

6.1.2 Each Qualifying Investor may, in respect of its Settlement Entitlement (as notified to such Qualifying Investor in terms of this Section 2B, paragraph 6.1.1 on page 48), complete the Participation Form (green) enclosed hereto and indicate the percentage of AB InBev Shares comprising its Settlement Entitlement that it wishes to cede and transfer to SAB Zenzele Kabili pursuant to the Reinvestment Offer.

6.1.3 The Participation Form (green) must be completed and returned to the SAB Zenzele Kabili Administrator by no later than 16:00 on Tuesday, 7 April 2020 either: (i) by hand at the following address: Investec Share Plan Services Proprietary Limited, 100 Grayston Drive, Sandown, Sandton, 2196; (ii) by fax to 011 291 6556; or (iii) by email to sab.retail@investec.co.za.

6.1.4 Once the Reinvestment Offer closes on Tuesday, 7 April 2020, the share allocation process will start. The SAB Zenzele Kabili Administrator will notify each Participant by no later than Thursday, 9 April 2020 whether or not its application has been successful. Successful Participants will be notified of the number of SAB Zenzele Kabili Ordinary Shares allocated to them and the number of AB InBev Shares comprising their Settlement Entitlement that have been ceded to SAB Zenzele Kabili.

6.1.5 Annexure 1 to this Prospectus provides Qualifying Investors with an illustrative worked example of how the Proportional Value formula will be applied to determine the number of SAB Zenzele Kabili Ordinary Shares to be issued to a Qualifying Investor participating in the Reinvestment Offer, save that the illustrative example is subject to the allocation principles discussed in paragraph 7 below.

6.1.6 Should you require assistance in completing your Participation Form (green), you can contact the SAB Zenzele Kabili call centre, operated by the SAB Zenzele Kabili Administrator, on 0861 900 903. The SAB Zenzele Kabili call centre operating hours are from 09:00 until 17:00 from Monday to Friday.

6.2 Participations Forms irrevocable

Duly completed and submitted Participation Forms for SAB Zenzele Kabili Ordinary Shares under the Reinvestment Offer are irrevocable and may not be withdrawn once received by or on behalf of SAB Zenzele Kabili, unless SAB Zenzele Kabili issues, registers and publishes a supplement to this Prospectus, in which event applications made prior to the date of issue or publication of the supplement may be withdrawn on written notice to SAB Zenzele Kabili within 20 business days after the date of publication.
6.3 **Obligation to give accurate information**

6.3.1 The obligation to give full and accurate information rests on each Qualifying Investor wishing to participate in the Reinvestment Offer. SAB Zenzele Kabili is entitled to verify your details (for BEE, FICA and other purposes) and you are obligated to assist in such verification promptly when requested to do so. Failing to do so may result in you being disqualified from participating in the Reinvestment Offer.

6.3.2 Providing false information could result in persons, including SAB Zenzele Kabili and SAB, having claims and rights against you.

6.4 **Deemed discharge of settlement obligations**

In respect of each Qualifying Investor’s portion of the Settlement Entitlements which is ceded pursuant to the Reinvestment Offer, SAB Zenzele, SAB, AB InBev and SAB Zenzele Kabili shall, by giving effect to the obligations owing to Qualifying Investors arising from their participation in the Reinvestment Offer, be deemed to have fully discharged their respective settlement obligations owing to Qualifying Investors in terms of the Existing Empowerment Transaction as set out in the Amended Exchange Transaction and the Amended and Restated Exchange Agreement and the New Empowerment Transaction as established under the New Empowerment Transaction Agreements.

6.5 **Deemed surrender of Documents of Title**

In connection with the unwind of the Existing Empowerment Transaction, Qualifying Investors need not take any action regarding the surrender of their Documents of Title as the process will be handled by the SAB Zenzele Administrator. In this regard, each Qualifying Investor irrevocably and in rem suam authorises the SAB Zenzele Administrator, as principal, with full power of substitution, to take such actions and steps (including the signing or execution of any deed, instrument and transfer form), and doing all other things, as may be necessary or expedient in order to give effect to the unwind of the Existing Empowerment Transaction in accordance with the New Empowerment Transaction Agreements and the terms and conditions of this Reinvestment Offer.

6.6 **Tax implications**

**THE SUMMARY OF SOUTH AFRICAN INCOME TAX CONSEQUENCES SET OUT BELOW IS FOR GENERAL INFORMATION ONLY. ALL QUALIFYING INVESTORS SHOULD CONSULT THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF DISPOSING OF THEIR ENTITLEMENT TO AB INBEV SHARES AS CONSIDERATION FOR THE ISSUE OF SHARES IN SAB ZENZELE KABILI (PURSUANT TO THE REINVESTMENT OFFER), INCLUDING THE APPLICABILITY AND EFFECT OF OTHER TAX LAWS AND POSSIBLE CHANGES IN TAX LAW.**

QUALIFYING INVESTORS WHO ARE SAB ZENZELE RETAILER SHAREHOLDERS SHOULD CONSULT THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF: (I) DISPOSING OF THEIR SAB ZENZELE SHARES IN RETURN FOR AB INBEV SHARES WHEN THE EXISTING EMPOWERMENT TRANSACTION IS UNWOUND; (II) DISPOSING OF THEIR AB INBEV SHARES IN RETURN FOR THE ISSUE OF SHARES IN SAB ZENZELE KABILI (PURSUANT TO THE SAB ZENZELE SCHEME AND/OR REINVESTMENT OFFER); AND (III) DISPOSING OF THEIR AB INBEV SHARES FOR CASH (PURSUANT TO THE SALE PROCEEDS SETTLEMENT).

QUALIFYING INVESTORS WHO ARE BENEFICIARIES OF THE SAB ZENZELE EMPLOYEE TRUST SHOULD CONSULT THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES APPLICABLE TO THEM OF: (I) THE VESTING OF THEIR SETTLEMENT ENTITLEMENTS; (II) DISPOSING OF THEIR SETTLEMENT ENTITLEMENTS/AB INBEV SHARES IN RETURN FOR THE ISSUE OF SHARES IN SAB ZENZELE KABILI (PURSUANT TO THE REINVESTMENT OFFER); AND (III) DISPOSING OF THEIR AB INBEV SHARES FOR CASH (PURSUANT TO THE SALE PROCEEDS SETTLEMENT).

**6.6.1 Overview**

6.6.1.1 The South African income tax system is a residence-based system of taxation, in terms of which South African tax residents are subject to tax in South Africa on their worldwide income, while non-resident persons for South African tax purposes are subject to tax on income from a South African source.

6.6.1.2 A natural person is a South African tax resident if he or she is “ordinarily resident” in South Africa or, if not “ordinarily resident” in South Africa, was physically present in South Africa for certain prescribed periods in the five tax years prior to and during the tax year in question. These periods require a physical presence in South Africa of more than 91 days in each tax year and more than 915 days
during the five preceding tax years. A natural person (who is not “ordinarily resident” in South Africa) who meets the prescribed periods of physical presence who is physically absent from South Africa for a continuous period of 330 full days is deemed to be a non-resident from the day on which he or she ceased to be physically present in South Africa.

6.6.1.3 A person other than a natural person (i.e. a juristic person or a trust) is a South African tax resident if it is incorporated, established or formed in South Africa or has its place of effective management in South Africa.

6.6.1.4 The definition of a resident specifically excludes any person who is deemed to be exclusively a resident of another country for purposes of an applicable agreement for the avoidance of double taxation entered into between South Africa and the other relevant jurisdiction (a “DTA”). Prospective purchasers and subscribers with questions regarding their tax residency should consult their tax advisors.

6.6.2 Vesting of Settlement Entitlements

6.6.2.1 In terms of section 8C of the Income Tax Act, any gain or loss made by an employee as a result of the “vesting” of an “equity instrument” during any year of assessment must be included in or deducted from the income of the employee. The section applies to any person who acquired an equity instrument by virtue of their employment. Each of the beneficiaries of The SAB Zenzele Employee Trust received their Settlement Entitlements by virtue of their employment with the SAB Group.

6.6.2.2 The Settlement Entitlements are “equity instruments” which will vest in the beneficiaries on 31 March 2020, when the beneficiaries become entitled to receive AB InBev Shares. As the beneficiaries gave no consideration for their Settlement Entitlements, the gain that will be triggered in the hands of each beneficiary will be equal to the market value of the AB InBev Shares that s/he becomes entitled to on 31 March 2020. This amount will be included in the income of the beneficiary and will be subject to income tax. The SAB Zenzele Administrator will obtain a tax directive from the South African Revenue Service for each beneficiary and will sell a sufficient number of AB InBev Shares on behalf of each beneficiary in order to cover their tax liability. The SAB Zenzele Administrator will pay the tax to the South African Revenue Service.

6.6.2.3 As none of the SAB Zenzele Retailer Shareholders are employed by the SAB Group, section 8C of the Income Tax Act will not apply to the SAB Zenzele Retailer Settlement Entitlements.

6.6.3 Exchange of SAB Zenzele Shares for AB InBev Shares when the Existing Empowerment Transaction is unwound

Unless the shares are held on revenue account and section 9C of the Income Tax Act does not apply to deem proceeds on the disposal of the shares to be capital in nature, South African tax residents should be subject to tax at the lower capital gains tax (“CGT”) rate on the proceeds derived upon the disposal of their SAB Zenzele Shares. In general, the determination of whether or not shares are held as capital assets is a question of fact and depends primarily upon the intention with which the shares were acquired and held. Section 9C of the Income Tax Act deems certain amounts (excluding dividends) received by or accruing to a shareholder from the disposal of shares to be of a capital nature and therefore subject to CGT, if the shareholder held those shares for a continuous period of at least three years immediately preceding the date of disposal. These provisions may apply to the disposal of the SAB Zenzele Shares depending on each SAB Zenzele Retail Shareholder’s personal circumstances. If the SAB Zenzele Shares are held on revenue account and section 9C of the Income Tax Act does not apply, the disposal will be subject to income tax.

6.6.4 Capital gains tax

Upon a disposal of SAB Zenzele Shares as capital assets, a SAB Zenzele Retailer Shareholder is expected to realise a capital gain for South African tax purposes as the proceeds from the disposal should exceed the SAB Zenzele Retailer Shareholder’s base cost in the SAB Zenzele Shares (on the basis that the base cost of the SAB Zenzele Shares will be the subscription price of the SAB Zenzele Shares).

6.6.5 Income Tax

SAB Zenzele Retailer Shareholders will be subject to income tax on the proceeds arising upon the disposal of SAB Zenzele Shares if the shares disposed of are held for speculative purposes (i.e. as trading stock) as opposed to capital assets and section 9C of the Income Tax Act does not apply.
6.6.6 **Exchange of AB InBev Shares for SAB Zenzele Kabili Ordinary Shares pursuant to the Reinvestment Offer**

6.6.6.1 Due to the short shareholding period, section 9C of the Income Tax Act will not apply to the disposal of the AB InBev Shares and, as such, the capital or revenue nature of the proceeds arising in respect of the disposal will be determined by applying South African common law principles.

6.6.6.2 Upon a disposal of AB InBev Shares as capital assets, a Qualifying Investor may realise a capital gain or capital loss for South African tax purposes depending on whether the proceeds from the disposal exceed the Qualifying Investor’s base cost in the AB InBev Shares (the base cost of the AB InBev Shares should essentially be equal to the market value of the AB InBev Shares on the Effective Date).

6.6.6.3 However, if the AB InBev Shares are disposed of to SAB Zenzele Kabili in return for the issue of SAB Zenzele Kabili Ordinary Shares in accordance with section 42 of the Income Tax Act, the disposal will not give rise to a capital gain or a capital loss and the Qualifying Investor’s base cost in the AB InBev Shares will be “rolled over” to become the base cost of the SAB Zenzele Kabili Ordinary Shares acquired by the Qualifying Investor.

6.6.7 **Disposal of AB InBev Shares / Settlement Entitlements in terms of the Sale Proceeds Settlement**

6.6.7.1 Due to the short shareholding period, section 9C of the Income Tax Act will not apply to the disposal of the AB InBev Shares / Settlement Entitlements and, as such, the capital or revenue nature of the proceeds arising in respect of the disposal will be determined by applying South African common law principles.

6.6.7.2 Upon a disposal of AB InBev Shares as capital assets, a Qualifying Investor may realise a capital gain or capital loss for South African tax purposes depending on whether the proceeds from the disposal exceed the Qualifying Investor’s base cost in the AB InBev Shares.

6.6.8 **Securities Transfer Tax**

6.6.8.1 Securities Transfer Tax (“STT”) is a tax levied on every transfer of a security, including a share in a company which is: (i) incorporated, established or formed in South Africa (such as SAB Zenzele Kabili); or (ii) incorporated, established or formed outside South Africa and listed on the JSE (such as AB InBev). The tax is triggered by a transfer of beneficial ownership, including the cancellation of a share. There is no STT payable on the issue of a share by a company.

6.6.9 **Vesting of Settlement Entitlements**

STT could be payable on the transfer of AB InBev Shares to beneficiaries.

6.6.10 **Exchange of SAB Zenzele Shares for AB InBev Shares when the Existing Empowerment Transaction is unwound**

STT could be payable on the disposal of the SAB Zenzele Shares by SAB Zenzele. STT could also be payable on the transfer of the AB InBev Shares to the SAB Zenzele Retailer Shareholders.

6.6.11 **Exchange of AB InBev Shares for SAB Zenzele Kabili Ordinary Shares pursuant to the Reinvestment Offer**

STT will be payable on the transfer of AB InBev Shares to SAB Zenzele Kabili under the Reinvestment Offer, unless the transfer takes place in terms of section 42 of the Income Tax Act and the exemption in section 8(1)(a)(i) of the Securities Transfer Act, No. 25 of 2007 is applicable. No STT will be payable on the issue of shares in SAB Zenzele Kabili.

6.6.12 **Disposal of AB InBev Shares in terms of the Sale Proceeds Settlement**

The purchaser of the AB InBev Shares will be liable for STT payable on the disposal of such shares under the Sale Proceeds Settlement.

6.6.13 **Dividends on SAB Zenzele Kabili Shares or AB InBev Shares**

6.6.13.1 South Africa imposes a 20% withholding tax on dividends (“Dividends Tax”) paid by a South African resident company (such as SAB Zenzele Kabili) and a foreign company with shares listed on the JSE (such as AB InBev).

6.6.13.2 There is an exemption from Dividends Tax for dividends which are paid to South African resident companies.
6.6.14 Dividends paid to non-resident persons may qualify for a reduced rate of Dividends Tax in terms of an applicable DTA. The exemptions or reduced rates apply provided that the prescribed legal formalities are complied with by the beneficial owners of the dividends (with the beneficial owners essentially being required to, by a date determined by the company paying the dividend, or, if the company has not determined a date, by the date of payment of the dividend, submitted a declaration that the dividend is exempt from Dividends Tax (or is subject to Dividends Tax at a reduced rate) and a written undertaking to inform the company in writing should the circumstances affecting the exemption that applies to the beneficial owner change or should the beneficial owner cease to be the beneficial owner). Accordingly, unless a shareholder qualifies for one of the exemptions provided for, or qualifies to be taxed at a reduced rate of Dividends Tax in terms of the applicable provisions of a DTA and has delivered the required declaration or undertaking as the case may be, a dividend paid to such shareholder in respect of an ordinary share will be subject to Dividends Tax at a rate of 20%.

7. ALLOCATION AND SETTLEMENT OF SAB ZENZELE KABILI ORDINARY SHARES

7.1 Once the Reinvestment Offer closes on Tuesday, 7 April 2020, the share allocation process will start, and SAB Zenzele Kabili has full discretion over how the SAB Zenzele Kabili Ordinary Shares are ultimately allocated against receipt of duly completed Participation Forms, save that the procedure below has relevance.

7.2 SAB Zenzele Kabili will allocate such number of SAB Zenzele Kabili Ordinary Shares to be determined in accordance with the Proportional Value formula (as illustrated in Annexure 1 to this Prospectus), to Qualifying Investors who have duly applied (through the delivery of a duly completed Participation Form) for SAB Zenzele Kabili Ordinary Shares in exchange for their Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, would be their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented). Such SAB Zenzele Kabili Ordinary Shares will be listed on, and can be traded on the BEE Segment. Whilst SAB Zenzele Kabili has full discretion over how the SAB Zenzele Kabili Ordinary Shares are ultimately allocated under the Reinvestment Offer, it intends to apply the following allocation principles:

7.2.1 only whole numbers of SAB Zenzele Kabili Ordinary Shares to which Qualifying Investors will become entitled, will be issued and delivered to Qualifying Investors and any fractional entitlements will be rounded: (i) upwards, in the case of fractional entitlements of 0.5 or greater; and (ii) downwards, in the case of fractional entitlements less than 0.5; and

7.2.2 Qualifying Investors who have delivered a duly completed Participation Form indicating the percentage of Settlement Entitlement (which, in the case of SAB Zenzele Retailer Shareholders, would be their entitlement remaining after having taken into account the portion of their Settlement Entitlement ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme, if approved and implemented) which they are willing to cede pursuant to the Reinvestment Offer will be advised by the SAB Zenzele Administrator how many SAB Zenzele Kabili Ordinary Shares they will be entitled to, subject to the following principles:

- each SAB Zenzele Kabili Ordinary Share will be issued at R40;
- the total number of SAB Zenzele Kabili Ordinary Shares that can be issued pursuant the Reinvestment Offer is capped at the Reinvestment Offer Cap;
- each Qualifying Investor who applies, pursuant to the delivery of duly completed Participation Forms, for SAB Zenzele Kabili Ordinary Shares of up to R5,000, is likely to receive 100% of the value of such application under the Reinvestment Offer (or a maximum of 125 SAB Zenzele Kabili Ordinary Shares in the event that an application is for SAB Zenzele Kabili Ordinary Shares worth R5,000);
- if some (and not all) Qualifying Investors have applied, pursuant to the delivery of duly completed Participation Forms, for SAB Zenzele Kabili Ordinary Shares in excess of R5,000 per application, then settlement of the amount above R5,000 will be considered and will be settled on a pro rata basis after having settled those applications between R40 and R5,000;
- to the extent that all (and not only some) Qualifying Investors apply, pursuant to the delivery of duly completed Participation Forms, for SAB Zenzele Kabili Ordinary Shares in excess of R5,000, then the Reinvestment Offer will be oversubscribed (i.e. applications under the Reinvestment Offer in aggregate exceed the Reinvestment Offer Cap), and the consequence of this will be that all such applications in excess of R5,000 per Qualifying Investor will be considered and settled on a pro rata basis.
The following table is illustrative of the above:

<table>
<thead>
<tr>
<th>Amount applied for:</th>
<th>Rate of allocation¹</th>

<td>R40 to R5,000</td>

</tr>
</tbody>
</table>

Notes:
1. Allocations under the Reinvestment Offer will be granted in increments of R40 per SAB Zenzele Kabili Ordinary Share.
2. The Reinvestment Offer is capped at R344 million or 8.6 million SAB Zenzele Kabili Ordinary Shares.
3. Represents a balancing figure. Applications above R5,000 will be settled on a pro rata basis.

7.3 SAB Zenzele Kabili will provide updates, as and when appropriate, on SENS, the press, its website and via SMS, on the allocation process and the Reinvestment Offer in general.

7.4 Successful Participants will be notified by way of telephone, email or post of the number of SAB Zenzele Kabili Ordinary Shares allocated to them and the number of AB InBev Shares comprising their Settlement Entitlement that have been ceded to SAB Zenzele Kabili.

7.5 The SAB Zenzele Kabili Ordinary Shares allocated to Successful Participants will be issued in Dematerialised form only.

7.6 Accordingly, SAB Zenzele Kabili will cause a Dematerialised securities account to be opened with the SAB Zenzele Kabili Administrator (or a third party service provider). On the Effective Date, SAB Zenzele Kabili will cause to be issued and transferred to such Successful Participants, the allocated SAB Zenzele Kabili Ordinary Shares due to them, which will be credited and delivered to either:

7.6.1 the securities account with a CSDP or Broker specified by the Successful Participant in the Participation Form; or

7.6.2 if the Successful Participant does not have such a securities account in place, an individual sub-account with a new Dematerialised securities account to be opened with the SAB Zenzele Kabili Administrator (or a third party service provider).

8. RESERVATION OF RIGHTS AND GENERAL DISCRETION

8.1 SAB Zenzele Kabili reserves the right to accept or refuse any application pursuant to a duly completed Participation Form as it determines in its sole and absolute discretion, and may reject any application or decline to make any allocation at any time prior to SAB Zenzele Kabili Ordinary Shares being allotted and issued thereunder.

8.2 SAB Zenzele Kabili reserves the right to appoint a valid BEE Verification Agency, or use other methods acceptable to it, to verify that you are a Qualifying Investor, but shall not be obliged to do so. You remain fully responsible for the accuracy and completeness of the information set out in your Participation Form (green) and for all information provided in connection therewith.

8.3 SAB Zenzele Kabili also reserves a general discretion to relax or deviate from the specific process or procedures set out herein, including as to cut-off times, and otherwise to exercise a general discretion in respect of its receipt and handling of applications and monies under the Reinvestment Offer. SAB Zenzele Kabili shall further have the right at any time and from time to time to take any action it considers reasonably necessary to correct any errors or omissions which may occur howsoever under or in connection with the Reinvestment Offer, and is authorised by each applicant to take such steps. Although SAB Zenzele Kabili accepts no obligation to do so, this right includes the right to correct payment errors into or from SAB Zenzele Kabili’s account and/or reverse allocations and/or issues of SAB Zenzele Kabili Ordinary Shares which are allocated and/or issued to a Qualifying Investor as a result of another Participant using the incorrect unique reference number, and to transfer and/or issue the relevant SAB Zenzele Kabili Ordinary Shares to the intended participant Qualifying Investor, and/or to make fresh issues of SAB Zenzele Kabili Ordinary Shares to Qualifying Investors and/or otherwise register such SAB Zenzele Kabili Ordinary Shares in its name.

8.4 Section 3, paragraph 8 on page 53 of this Prospectus applies notwithstanding anything else to the contrary in this Prospectus and provided elsewhere.
9. REPRESENTATION AND EXCLUSION OF LIABILITY

9.1 Once you submit a Participation Form (green), you shall be deemed to have represented that you were in possession of a copy of this Prospectus at the time of your application.

9.2 You agree that SAB Zenzele Kabili, SAB, AB InBev, SAB Zenzele and its and their directors, officers, employees, agents, advisors and contractors shall – to the fullest extent permitted by applicable law – be excluded from any direct or indirect loss, liability or expense howsoever incurred or suffered by you as a direct or indirect result of, or arising from, SAB Zenzele Kabili, SAB, AB InBev, SAB Zenzele’s receiving, rejecting, handling, processing or dealing in any way with your application and/or Participation Form (green) including in respect of any refunds made or to be made thereunder, and any such claims are waived by you.

10. CONDITION PRECEDENT AND IMPLEMENTATION

The implementation of the Reinvestment Offer and the BEE Listing is conditional on the approval of the SAB Zenzele Scheme by the requisite majority of SAB Zenzele Shareholders and its successful implementation in accordance with its terms as more fully set out in the SAB Zenzele Scheme Circular.

11. VERIFICATION, TRADING AND SETTLEMENT OF SAB ZENZELE KABILI ORDINARY SHARES DURING THE BEE LISTING PERIOD

11.1 Overview

11.1.1 The SAB Zenzele Kabili Ordinary Shares which will be issued to Successful Participants pursuant to the Reinvestment Offer and other components of the New Empowerment Transaction will be listed on the BEE Segment. The JSE generally operates on the principle that there are no restrictions in respect of the transferability of the securities that are listed on it. The BEE Segment differs, however, in that the transfer of securities listed on that segment (i.e. BEE Securities) is restricted and may only be made to purchasers that are deemed to be BEE Verified Persons. The JSE Listings Requirements and rules of the JSE provide that BEE Securities may only be transferred between BEE Verified Persons. Notwithstanding the foregoing, as part of the New Empowerment Transaction: (i) certain Qualifying Investors who are not Black Groups will become SAB Zenzele Kabili Ordinary Shareholders on implementation of the New Empowerment Transaction; and (ii) certain beneficiaries of the New ESOP who are not Black People may from time to time become SAB Zenzele Kabili Ordinary Shares. Should any such person wish to sell, transfer or otherwise dispose of their SAB Zenzele Kabili Ordinary Shares, they will need to contact the SAB Zenzele Kabili Administrator on 0861 900 903 during the hours of 09:00 to 17:00 from Monday to Friday.

11.1.2 SAB Zenzele Kabili Ordinary Shares, which would be classified as BEE Securities, may only be traded via a JSE Member who will place an order in the trading system to purchase or sell BEE Securities. Prior to placing the order, the JSE Member must receive confirmation from the issuer of the BEE Securities or its BEE Verification Agent that the proposed registered owner or beneficial owner, as the case may be, qualifies as a BEE Verified Person. Further information regarding the BEE Verification process is laid out in this Section 2B, paragraphs 11.2 through to 11.6 on pages 55 to 56 of this Prospectus.

11.1.3 The JSE’s settlement authority will monitor for any transactions that are concluded where the purchaser is not a BEE Verified Person and will instruct the JSE member to take applicable actions, as detailed in the JSE’s Rules and Directives, to rectify the transaction.

11.1.4 The JSE’s surveillance department will investigate instances of non-compliance by JSE Members with the JSE Rules and Directives and will instigate disciplinary action, where appropriate.

11.1.5 In all other respects, the JSE’s ordinary trading rules will apply to the trading of SAB Zenzele Kabili Ordinary Shares. Settlement will take place via the local CSDP, Strate. The principle features of Strate are as follows:

11.1.5.1 trades executed on the JSE must be settled on a T+3 basis, being three trading days after the date of the trade;
11.1.5.2 electronic record of ownership has replaced share certificates and the physical 
delivery thereof; and 
11.1.5.3 all investors are required to appoint either a Broker or CSDP to act on their behalf 
and to handle their settlement requirements.

11.1.6 The BEE Segment operates during the normal JSE trading hours.

11.2 BEE Verification

11.2.1 SAB Zenzele Kabili has elected to implement the BEE Listing on the basis that it will be 
subject to the use of a BEE Verification Agent. Acquiring SAB Zenzele Kabili Ordinary 
Shares is restricted to BEE Verified Persons and the role of the BEE Verification Agent will 
be to conduct a BEE Verification process to ensure that only those persons that have been 
confirmed as a BEE Verified Person may become registered or beneficial owners, as the case 
may be, of SAB Zenzele Kabili Ordinary Shares.

11.2.2 This means all persons who wish to buy or receive transfer of SAB Zenzele Kabili Ordinary 
Shares will first have to provide a valid BEE status or complete the BEE Verification process, 
in terms of which:
• their eligibility to trade in SAB Zenzele Kabili Ordinary Shares will be assessed;
• if confirmed to be a BEE Verified Person, they will be required to accept the relevant 
Trading Terms and Conditions; and
• they will be required to enter into such contractual and mandate arrangements as required 
in terms of the trading process they have elected. The nature of the documentation to be 
completed will depend on which of the three trading processes (as set out in this Section 
2B, paragraph 11.3 commencing on page 55 of this Prospectus) has been elected by the 
BEE Verified Person.

11.2.3 In terms of the JSE Listings Requirements, the JSE Equities Rules and Directives and 
the Strate Rules and Directives, a Market Participant may not implement a transaction 
in SAB Zenzele Kabili Ordinary Shares unless it has received confirmation from the BEE 
Verification Agent that the relevant purchaser is a BEE Verified Person. A BEE Verified 
Person who wishes to move his/her/its account to another Market Participant is required to 
complete a BEE Verification process in respect of such new Market Participant.

11.2.4 As part of the New Empowerment Transaction: (i) certain Qualifying Investors who are not 
Black Groups will become SAB Zenzele Kabili Ordinary Shareholders on implementation 
of the New Empowerment Transaction; and (ii) certain beneficiaries of the New ESOP who 
are not Black People may from time to time become holders of SAB Zenzele Kabili Ordinary 
Shares. In this regard, such persons shall: (i) only be entitled to hold SAB Zenzele Kabili 
Ordinary Shares in a nominee account with the Custody Entity; (ii) only be entitled to sell, 
transfer or otherwise dispose of their SAB Zenzele Kabili Ordinary Shares to a BEE Verified 
Person through the Trading Entity; and (iii) shall not be entitled to acquire any further SAB 
Zenzele Kabili Ordinary Shares. Should any such person wish to sell, transfer or otherwise 
dispose of their SAB Zenzele Kabili Ordinary Shares, they will need to contact the SAB 
Zenzele Kabili call centre, operated by the SAB Zenzele Kabili Administrator on 0861 900 
903 during the hours of 09:00 to 17:00 from Monday to Friday.

11.3 Trading, clearing, settlement and custody of SAB Zenzele Kabili Ordinary Shares

11.3.1 In order to trade in SAB Zenzele Kabili Ordinary Shares, BEE Verified Persons have the 
choice to use:
• the Standard Trading Process;
• the Own-Broker Trading Process; or the 
• the Off-Market Transfers Process.

11.3.2 The nature of the BEE Verification process will depend on whether the BEE Verified Person 
will trade using the Standard Trading Process, the Own-Broker Trading Process or the Off-
Market Transfers Process.

11.4 BEE Verification process for the Standard Trading Process

11.4.1 The Standard Trading Process is the most cost effective and simplest trading process 
available to BEE Verified Persons. Those investors that make use of this process will not be 
required to appoint a CSDP or open an account with a Broker and will thus avoid the costs 
associated therewith.
11.4.2 The objective of the Standard Trading Process is to provide a simple, accessible and cost effective trading option to the majority of the holders of SAB Zenzele Kabili Ordinary Shares, who, in the absence of this facility, would not ordinarily and easily access trading in SAB Zenzele Kabili Ordinary Shares through the usual channels for trading listed securities on the JSE.

11.4.3 To this end, holders of SAB Zenzele Kabili Ordinary Shares that wish to make use of the Standard Trading Process will enter into a trading mandate with the Trading Entity. The Trading Entity will provide and operate a website and a call centre (with multiple language optionality) and thereby accept buy and sell orders from BEE Verified Persons. The Trading Entity will route these buy and sell orders to the Trading Entity’s appointed JSE Member(s) for execution on the JSE. Orders will be taken daily placed on a best execution basis.

11.4.4 The trading mandate concluded between the BEE Verified Person and the Trading Entity regulates the process of placing buy and sell orders via the website or call centre, which orders the Trading Entity will effect through the Standard Trading Process.

11.4.5 BEE Verified Persons will be required to sign a custody and settlement mandate with the Custody Entity, which will hold their Dematerialised SAB Zenzele Kabili Ordinary Shares and cash on their behalf.

11.4.6 The Trading Entity will be responsible for settlement and not the JSE nor any other person.

11.5 BEE Verification process for the Own-Broker Trading Process

11.5.1 SAB Zenzele Kabili shareholders who have not yet been verified as BEE Verified Persons that wish to make use of their own JSE Member or CSDP will be required to follow the Own-Broker Trading Process. This process is more complicated than the Standard Trading Process.

11.5.2 Such a person will be required to enter into a SAB Zenzele Kabili BEE Contract (this is a bespoke contract required in respect of the SAB Zenzele Kabili Ordinary Shares and is distinct from the agreement referred to in the JSE Listings Requirements as a “BEE contract”). The SAB Zenzele Kabili BEE Contract must also be signed by SAB Zenzele Kabili, the relevant CSDP, the JSE Member (who will provide broker services to the holder of SAB Zenzele Kabili Ordinary Shares) and each other Market Participant that will act as either an intermediary holder or an intermediary holder that also acts as registered holder in relation to such SAB Zenzele Kabili Shareholder, and in respect of whom such BEE Verified Person has been verified as a BEE Verified Person.

11.5.3 SAB Zenzele Kabili shareholders that wish to follow this route will be required to enter into a SAB Zenzele Kabili BEE Contract, which amongst other things will:

11.5.3.1 regulate the custodian relationship applicable to the relevant SAB Zenzele Kabili Ordinary Shares;

11.5.3.2 record the various obligations and responsibilities of the relevant Market Participants;

11.5.3.3 regulate the liability of such market participants if they fail to comply with the SAB Zenzele Kabili BEE Contract;

11.5.3.4 regulate the liability of the BEE Verified Person if they fail to comply with the SAB Zenzele Kabili BEE Contract; and

11.5.3.5 prescribe the minimum requirements for the mandates to be concluded between BEE Verified Persons and the Market Participants, and that such mandates must be approved by SAB Zenzele Kabili.

11.6 BEE Verification process for the Off-Market Transfers Process

No Off-Market Transfer of SAB Zenzele Kabili Ordinary Shares may be effected in favour of a buyer or transferee of SAB Zenzele Kabili Ordinary Shares that has not successfully been confirmed as BEE Verified by the BEE Verification Agent. Accordingly, BEE Verified Persons that wish to make use of the Off-Market Transfers Process must do so in compliance with the Off-Market Transfers Process Terms and Conditions. Existing SAB Zenzele Kabili Ordinary Shareholders and prospective shareholders are advised to contact the BEE Verification Agent on 086 111 4003 for guidance as to the BEE Verification process for Off-Market Transfers that do not involve a JSE Member.
11.7 Controlled Clients

If a prospective shareholder who has not yet been verified as a BEE Verified Person or a person already verified as being a BEE Verified Person wishes to trade SAB Zenzele Kabili Ordinary Shares as a Controlled Client by way of the Own-Broker Trading Process, they will need to inform the BEE Verification Agent of the identity of the JSE Member with whom they intend opening a trading account. The BEE Verification Agent will, on completion of the BEE Verification process in respect of the prospective shareholder and ratification of the eligibility status of the previously verified BEE Verified Person, issue a confirmation to the nominated JSE Member, which states that the BEE Verification process has been successfully concluded in respect of their client and that as a BEE Verified Person, they may trade in SAB Zenzele Kabili Ordinary Shares.

11.8 Non-Controlled Clients

If a prospective shareholder that has not yet been verified as a BEE Verified Person or person already verified as being a BEE Verified Person wishes to trade SAB Zenzele Kabili Ordinary Shares as a Non-Controlled Client of a JSE Member by way of the Own-Broker Trading Process, they will need to inform the BEE Verification Agent of the identity of the JSE Member with whom they intend opening a trading account and the identity of the registered holder and/or CSDP who will hold in safe custody their SAB Zenzele Kabili Ordinary Shares. The BEE Verification Agent will, on completion of the BEE Verification process in respect of the prospective shareholder and ratification of the eligibility status of the previously verified BEE Verified Person, issue a confirmation to the nominated JSE Member and the nominated registered holder and/or CSDP, which states that the BEE Verification process has been successfully concluded in respect of their client and that as a BEE Verified Person, they may trade in SAB Zenzele Kabili Ordinary Shares.

11.9 Own name client of a CSDP without a trading account with the JSE Member

If a prospective shareholder that has not yet been verified as BEE Verified Person or a person already verified as being a BEE Verified Person wishes to open an account in their own name (i.e. as a registered shareholder) at a CSDP to hold their SAB Zenzele Kabili Ordinary Shares, and does not have a trading account with a JSE Member, the relevant prospective shareholder or person verified as being a BEE Verified Person will be required to inform the BEE Verification Agent of the identity of the CSDP with whom they intend entering into a mandate arrangement. The BEE Verification Agent will, on completion of the BEE Verification process, issue a confirmation to the nominated CSDP, which states that BEE Verification has been successfully concluded in respect of their client and that as a BEE Verified Person, they may trade in SAB Zenzele Kabili Ordinary Shares.

12. INDEMNITY GRANTED BY ZENZELE KABILI

12.1 As SAB Zenzele Kabili has elected to pursue the BEE Listing subject to the use of a BEE Verification Agent, SAB Zenzele Kabili (as an issuer) is required, in terms of Section 4.32B of the JSE Listings Requirements to grant certain indemnities in favour of the JSE and relevant Market Participants in accordance with (but subject to the limitations and qualifications contained in) Section 4.32B of the JSE Listings Requirements. The contents of the indemnities granted by SAB Zenzele Kabili to the JSE are set out in Annexure 14 of this Prospectus. The giving of such indemnities is required by the JSE as a condition to the BEE Listing.

12.2 In addition to the indemnities required to be given by SAB Zenzele Kabili pursuant to the JSE Listings Requirements, SAB Zenzele Kabili may be required contractually to give other indemnities in favour of its service providers for purposes of and in connection with the BEE Listing, and to any other person for purposes of establishing, implementing and facilitating the infrastructure required for, or incidental to, the BEE Listing. Additionally, the operation of the Own-Broker Trading Process, the Off-Market Transfers Process and the Standard Trading Process (the latter being operated by the Trading Entity and the Custody Entity), together with the BEE Verification Agent, will entail a degree of facilitation or subsidisation by SAB Zenzele Kabili from a costs point of view. The operation of the Standard Trading Process, in particular, is aimed at ensuring an accessible entry point for the bulk of the SAB Zenzele Kabili Ordinary Shareholders within the JSE’s listed trading environment.

13. BEE PRINCIPLES IN ZENZELE MOI

13.1 Trading in SAB Zenzele Kabili Ordinary Shares will be subject to: (i) the JSE Rules and Directives; (ii) the JSE Listings Requirements; (iii) the SAB Zenzele Kabili MOI; and (iv) the BEE Legislation.
13.2 The SAB Zenzele Kabili MOI imposes certain restrictions on the sale and/or encumbrance of SAB Zenzele Kabili Ordinary Shares and contain various other rights in favour of and/or obligations on Zenzele Shareholders, which include that, for the duration of the BEE Listing Period:

13.2.1 only Eligible Persons shall be permitted to hold SAB Zenzele Kabili Ordinary Shares;

13.2.2 the Company shall not issue SAB Zenzele Kabili Ordinary Shares, securities convertible into SAB Zenzele Kabili Ordinary Shares, or rights exercisable for SAB Zenzele Kabili Ordinary Shares otherwise than to Eligible Persons or approved nominees who will hold such Ordinary Shares on behalf of Eligible Persons; and

13.2.3 no holder of SAB Zenzele Kabili Ordinary Shares shall dispose of or otherwise transfer its SAB Zenzele Kabili Ordinary Shares other than to an Eligible Person or an approved nominee who will hold such SAB Zenzele Kabili Ordinary Shares on behalf of Eligible Persons.

13.3 The SAB Zenzele Kabili MOI prohibits SAB Zenzele Kabili Ordinary Shareholders from giving any instruction to their brokers or CSDPs (or any nominee or intermediary thereof) which would constitute or result in a contravention of the provisions of the SAB Zenzele Kabili MOI and the BEE Listing Terms and Conditions.

13.4 Repurchase right in favour of the Company

13.4.1 SAB Zenzele Kabili shareholders must comply with the above restrictions and obligations of the SAB Zenzele Kabili MOI and failing to do so could result in a Repurchase Event and the relevant SAB Zenzele Kabili Shares being acquired by the Company (or its nominee) at a discount. A “Repurchase Event” will arise in respect of a holder of SAB Zenzele Kabili Ordinary Shares (the “Defaulting Party”), if, at any time during the BEE Listing Period, that Defaulting Party:

13.4.1.1 being a Black Group, ceases to be a Black Group;

13.4.1.2 has misrepresented or misstated that it/he/she is an Eligible Person;

13.4.1.3 has made a fraudulent, untrue or inaccurate statement in respect of any transfer of SAB Zenzele Kabili Ordinary Shares, or in any documents supporting such transfer, or any information provided to the BEE Verification Agent and/or any other service provider in respect of any transfer of SAB Zenzele Kabili Ordinary Shares which cannot thereafter be verified to the Company’s satisfaction; or

13.4.1.4 commits an act, or there arises an event or circumstance (howsoever arising) constituting or resulting in a breach by or in respect of such person (and/or the SAB Zenzele Kabili Ordinary Shares held by him/her/it) of key provisions of the Trading Terms or the SAB Zenzele Kabili MOI, and fails to remedy any such breach within the time period (if any) provided or, if no such express remedy period is provided, within 30 days of receiving written notice from the Company to do so (or such additional period as the Company may agree to in writing).

13.4.2 For so long as the Repurchase Event persists, the Company shall be entitled, but not obliged, by giving written notice to the Defaulting Party (or its nominee) to that effect to require such Defaulting Party to sell to the Company (or its nominee) all its SAB Zenzele Kabili Ordinary Shares (the “Repurchase Right”), or such number thereof as the Company may elect (“Repurchase Shares”) and the Defaulting Party shall be obliged to sell the Repurchase Shares to the Company (or its nominee). The Repurchase Shares shall be acquired by the Company (or its nominee) at a price equal to 60% of the 30 day volume weighted average price of SAB Zenzele Kabili Ordinary Shares, reckoned from the date on which the Repurchase Right is exercised.

13.5 Exemptions to the BEE restrictions

Notwithstanding any of the above restrictions, the SAB Zenzele Kabili MOI records that as part of the New Empowerment Transaction: (i) certain Qualifying Investors who are not Black Groups will become holders of SAB Zenzele Kabili Ordinary Shares on implementation of the New Empowerment Transaction; and (ii) certain beneficiaries of the New ESOP who are not Black People may from time to time become holders of SAB Zenzele Kabili Ordinary Shares. Such persons shall be entitled to hold SAB Zenzele Kabili Ordinary Shares subject to the restrictions that they shall: (i) only be entitled to hold their SAB Zenzele Kabili Ordinary Shares in a nominee account with the Custody Entity; (ii) only be entitled to sell, transfer or otherwise dispose of their SAB Zenzele Kabili Ordinary Shares to a BEE Verified Person through the Trading Entity; and (iii) not be entitled to acquire any further SAB Zenzele Kabili Ordinary Shares.
SECTION 3: STATEMENTS AND REPORTS RELATING TO THE REINVESTMENT OFFER

[Reg 56]

1. STATEMENT AS TO ADEQUACY OF CAPITAL [Reg 74]

The Directors are of the opinion that the issued share capital and working capital of SAB Zenzele Kabili will be adequate for the purpose of the business of SAB Zenzele Kabili, for at least 12 months after the date of this Prospectus.

5. EXCHANGE CONTROL

5.1 The Company is not aware of any Qualifying Investors who are South African non-residents from an Exchange Control perspective. However, to the extent that any Qualifying Investors are South African non-residents, such Qualifying Investors are referred to the following summary:

5.1.1 South African law provides for Exchange Controls which, amongst other things, regulate the flow of capital from the “Common Monetary Area” which comprises South Africa, the Republic of Namibia and the Kingdoms of Lesotho and eSwatini. The Currency and Exchanges Act No. 9 of 1933 empowers the President of South Africa to make regulations in relation to any matter directly or indirectly relating to currency, banking or exchanges. The South African Minister of Finance is responsible for all matters regarding exchange control policy, and certain of these powers and functions have been delegated to the Financial Surveillance Department of the South African Reserve Bank. The Financial Surveillance Department has wide discretion in how it administers Exchange Controls. Such discretion is subject to the policy guidelines laid down by the Minister of Finance, the Director General of the South African Department of Finance and the South African Reserve Bank.

5.1.2 Certain South African banks have been appointed to act as “Authorised Dealers”. Authorised Dealers may buy and sell foreign exchange subject to conditions and within limits prescribed by the Financial Surveillance Department of the South African Reserve Bank.

5.1.3 The Authorised Dealers are also required to assist the Financial Surveillance Department in administering the regulations, rulings and circulars of the Financial Surveillance Department regarding the implementation of Exchange Controls. All applications to the
Financial Surveillance Department are required to be made through an Authorised Dealer. The Exchange Control rulings, issued by the Financial Surveillance Department, set out the conditions, permissions and limits applicable to transactions in foreign exchange which Authorised Dealers may undertake, as well as details of related administrative responsibilities. The Currency and Exchanges Manual for Authorised Dealers, which is administered by the Financial Surveillance Department is applied and regulates transactions involving South African exchange control residents, including companies. Each member of the Common Monetary Area applies Exchange Controls in a similar manner and residents may only transact through an Authorised Dealer in the country in which they are resident.

5.1.4 The broad ambit of South African exchange control regulation is to prohibit the export of capital from South Africa by South African residents. It is the stated objective of the authorities to achieve equality of treatment between residents and non-residents for exchange control purposes as it relates to inflows and outflows of capital. While the South African government has relaxed Exchange Controls in recent years (as announced from time to time in budget speeches and medium-term budget policy statements issued by the South African Minister of Finance), the Company expects current Exchange Controls to remain in place for the foreseeable future.

5.1.5 Any Qualifying Investor resident outside the Common Monetary Area who wishes to participate in the Reinvestment Ofer should obtain advice as to whether any governmental and/or other legal consent is required and/or any other formality must be observed to enable them to subscribe for SAB Zenzele Kabili Ordinary Shares.

5.1.6 Where a Qualifying Investor subscribes for SAB Zenzele Kabili Ordinary Shares and such SAB Zenzele Kabili Ordinary Shares are subsequently re-materialised and issued in certificated form, they will be endorsed ‘Non-Resident’ in terms of the Exchange Control Regulations.

5.2 Further to the above summary, and in line with the provisions of the The Currency and Exchanges Manual for Authorised Dealers, the Company is required to include the following disclosure in this Prospectus:

“In terms of the Exchange Control Regulations of South Africa:

1. a former resident of the Common Monetary Area who has emigrated, may use funds in the emigrant capital account to subscribe for shares in terms of this prospectus;

1.3 **History and development of the company**

AB InBev’s dedication to quality goes back to a brewing tradition of more than 600 years and the Den Hoorn brewery in Leuven, Belgium. In 1717, Sébastien Artois, master brewer of Den Hoorn, took over the brewery and renamed it Sébastien Artois. In 1987, the two largest breweries in Belgium merged: Brouwerijen Artois NV, located in Leuven, and Brasserie Piedboeuf SA, founded in 1853 and located in Jupille, resulting in the formation of Interbrew S.A. Interbrew operated as a family-owned business until December 2000, the time of its initial public offering on Euronext Brussels. The period since the listing of Interbrew on Euronext Brussels has been marked by increasing geographical diversification. Since 2000, AB InBev has completed the following major combinations, acquisitions and sales:

- In 2002, Interbrew acquired Beck’s for 3.5 billion German marks.
- In 2004, Interbrew combined with Ambev, a Brazilian company originally formed by the combination of Brahma and Antarctica in 1999–2000, resulting in the creation of InBev. Ambev is listed on the New York Stock Exchange and on the São Paulo Stock Exchange. As of 31 December 2018, AB InBev had a 61.9% voting and economic interest in Ambev.
- In July 2008, InBev combined with Anheuser-Busch Companies by way of an offer for USD 54.8 billion, as a result of which AB InBev changed its name to Anheuser-Busch InBev SA/NV.
- In 2013, AB InBev announced the completion of its combination with Grupo Modelo in a transaction valued at USD 20.1 billion, following which AB InBev owned approximately 95% of Grupo Modelo’s outstanding shares. AB InBev acquired the remaining shares via a mandatory tender offer, which completed in August 2015.
- In 2013, in another transaction related to the combination with Grupo Modelo, Grupo Modelo completed the sale of its U.S. business to Constellation Brands, Inc. for approximately USD 4.75 billion, in aggregate. The transaction included the sale of Grupo Modelo’s Piedras Negras brewery, Grupo Modelo’s 50% stake in Crown Imports and perpetual rights to certain of Grupo Modelo’s beer brands in the United States. As a consequence, AB InBev granted Constellation Brands, Inc. the exclusive and perpetual right to market and sell Corona and certain other Grupo Modelo beer brands in the 50 states of the United States, the District of Columbia and Guam. In December 2016, AB InBev also completed the sale of its brewery plant located in Obregón, Sonora, México to Constellation Brands, Inc. for a sale price of approximately USD 600 million.
- In October 2016, AB InBev completed its combination with SABMiller, valued at a gross purchase consideration of USD 114 billion.
- On 30 March 2018, AB InBev combined Russia and Ukraine businesses with those of Anadolu Efes through the creation of a new company called AB InBev Efes (“AB InBev Efes”). Following the closing of this transaction, the newly combined business is fully consolidated into Anadolu Efes.

3. RISK FACTORS ASSOCIATED WITH THE BUSINESS OF AB INBEV

3.1 Risks related to AB InBev’s business and AB InBev Shares

The performance and market price of AB InBev Shares is subject to fluctuations due to, amongst other things, changes in sentiment in the market in response to various facts and events, any regulatory changes affecting its operations, variations in AB InBev’s results of operations and the business developments of AB InBev or its competitors or changes in financial estimates by securities analysts. Stock markets have, from time to time, experienced significant price and volume fluctuations that have affected the market prices for securities and which may be unrelated to its business model, activities or prospects. Furthermore, its prospects may, from time to time, be below the expectations of market analysts and investors. Any of these events could adversely affect the performance and market price of AB InBev Shares, and AB InBev cannot ensure that the public trading market prices of AB InBev Shares will not decline.

3.2 Regulatory and compliance risk

Changes in laws and regulations and/or governmental interpretations of such laws and regulations may have a material adverse effect on AB InBev’s business, financial condition, results of operations and prospects. Furthermore, changes in laws and regulations and/or governmental interpretations of such laws and regulations may require AB InBev to devote a significant amount of time and resources to assess and, if required, to adjust its business model to any such changes, which could also have a material adverse effect on its business, financial condition and prospects. Any significant delays in assessing the impact and/or, if required, in adapting to changes in laws and regulations and/or governmental interpretations of such laws and regulations may also have a material adverse effect on its business, financial condition, results of operations and prospects.

3.3 Risks associated with litigation and regulatory proceedings

Litigation, arbitration, regulatory proceedings and other types of disputes involve inherent uncertainties and, as a result, AB InBev faces risks associated with adverse judgments or outcomes in these matters. Even in cases where AB InBev may ultimately prevail on the merits of any such dispute, AB InBev may face significant costs defending its rights, lose certain rights or benefits during the pendency of any such litigation, arbitration, regulatory proceeding or other dispute, or suffer reputational damage as a result of its involvement therewith. AB InBev may be exposed to onerous tax liabilities, cash flow pressures and unwarranted reputational risk. There can be no assurance as to the outcome of any litigation, arbitration, regulatory proceeding or other dispute, and the adverse determination of material litigation could have a materially adverse effect on its business, operating results and financial condition.
3.4 **There are risks associated with investing in emerging markets such as South Africa**

South Africa is generally considered by international investors to be an emerging market. Emerging markets are typically thought to have certain characteristics and be subject to many risks, including:

- adverse changes in economic and governmental policy;
- abrupt changes in currency values;
- high levels of inflation;
- relatively low levels of disposable consumer income;
- relatively high levels of crime;
- volatility in capital markets;
- relatively unstable institutions;
- unpredictable changes in the legal and regulatory environment;
- inconsistent application of existing laws and regulations;
- slow or insufficient legal remedies; and
- Ethical sourcing of product.

Notes and assumptions:
1. This column illustrates a range of amounts originally invested by Qualifying Investors in the Existing Empowerment Transaction in 2010, and accordingly is indicative of categories of Qualifying Investors.
2. This column illustrates the number of SAB Zenzele Shares which each Qualifying Investor holds.
3. This column illustrates the total Rand value of the Settlement Entitlement which each category of Qualifying Investor may be entitled to on the unwind of the Existing Empowerment Scheme (before taxes and related transaction costs, and in the case of SAB Zenzele Retailer Shareholders, before cession of SAB Zenzele Scheme Entitlement pursuant to SAB Zenzele Scheme). Please note that, in the case where a Qualifying Investor is a SAB Zenzele Retail Shareholder, the values reflected in this column do not yet take into account the portion of the Settlement Entitlement of a SAB Zenzele Retail Shareholder (i.e. the SAB Zenzele Scheme Entitlements) ceded to SAB Zenzele Kabili pursuant to the SAB Zenzele Scheme. Consequently, an appropriate adjustment of the numbers and figures in the column titled "Reinvestment election" will be made in respect of any reinvestment election by a SAB Zenzele Retail Shareholder pursuant to the Reinvestment Offer, to recognise that such reinvestment election would be made in respect of 85% of their current Settlement Entitlement value illustrated in the column "Value of Settlement Entitlements at unwind date" (given that 15% of their total Settlement Entitlement would already have been ceded to pursuant to the SAB Zenzele Scheme if approved and implemented).
4. This column assumes an election by each category of Qualifying Investor of a certain percentage of their Settlement Entitlement and indicates the current Rand value of entitlements that would be reinvested into SAB Zenzele Kabili.
5. This column indicates the amount of SAB Zenzele Kabili Ordinary Shares which each category of Qualifying Investor would be entitled to, relative to the Rand value which it elected to reinvest, divided by 40 (which number represents the issue price of R40 for each Zenzele Kabili Ordinary Share).

* Company deregistration final/company dissolved

** Company in the process of deregistration/voluntary liquidation
This Annexure sets out the salient terms of the letters of appointment of the non-executive Directors specified on page 31 of this Prospectus.

Capitalised terms used in this Annexure, but not defined in this Prospectus shall bear the meanings ascribed to such terms in the SAB Zenzele Kabili MOI.

LETTERS OF APPOINTMENT WITH THE NON-EXECUTIVE DIRECTORS

Term
Each non-executive Director's appointment will continue until such time as it is terminated as a result of, among other things, the occurrence of any event specified in the SAB Zenzele Kabili MOI for the vacation of office as a non-executive Director, including, without limitation, retirement by rotation (which includes any requirement to resign at the first annual general meeting of the Company post implementation of the BEE Listing) in accordance with the SAB Zenzele Kabili MOI. Each non-executive Director agrees to make himself available for re-election as a non-executive Director following his retirement at the first annual general meeting of the Company post implementation of the BEE Listing. Each non-executive Director who wishes to resign shall give three months' written notice.

Duties
Each non-executive Director will have all the duties usually attendant on that office. In performing his duties and exercising his powers as a non-executive Director, he is obliged to comply with all statutory and common law duties of a director in general, and with the provisions of the SAB Zenzele Kabili MOI.

Indemnities
The Company indemnifies each Director, to the fullest extent permitted in law, against all claims, awards, damages, costs, losses and expenses which may be made against the Director, or which the Director may incur or become liable to pay, at any time, by reason of any contract entered into, or any act or omission done or omitted to be done by the Director, in discharge of his duties as a Director or in his capacity as a Director or as a member of any committee of the Board.

Conflicts of interest
During each Director's period of office, he will not accept, save as may be agreed with the Company in writing, any engagements or instructions from any other person, firm or company which would result in a conflict of interest with his appointment.
### 3.3 Powers of the Company

3.3.1 The objects and activities of the Company shall be restricted to:

- **3.3.1.1** entering into the Transaction Documents to which it is a party;
- **3.3.1.2** exercising its rights and performing its obligations under the Transaction Documents to which it is a party and implementing the SAB Zenzele Kabili Transaction;
- **3.3.1.3** carry on the business of holding and managing its AB InBev Shares, cash and such other property as may be received or acquired solely by virtue of or in relation to the AB InBev Shares, in each case in accordance with and subject to the Transaction Documents to which it is a party;
- **3.3.1.4** receiving and distributing dividends and other distributions to its securities holders in accordance with the terms of this Memorandum and the Transaction Documents to which it is a party;
- **3.3.1.5** maintaining its listing on the Empowerment Segment of the JSE and/or on another recognised securities exchange licensed in South Africa; and
- **3.3.1.6** appointing such advisors as the board may consider to have the requisite knowledge and experience required to assist the Company to achieve its objects.

3.3.2 The Company has all of the powers and capacity to enable it to realise its main and ancillary objects as set out in article 3.3.1.

3.3.3 None of the following shall be of any force or effect (and, to the maximum extent permitted by law, the powers of the board and each other body and organ shall be restricted accordingly):

- **3.3.3.1** any holding by the Company of any investment or conducting of any business, other than as set out in Articles 3.3.1 and 3.3.2;
- **3.3.3.2** any disposal of or encumbrance or entry into of any other transaction in respect of the AB InBev shares held (or any rights and interests therein), save as contemplated in this and/or the Transaction Documents;
- **3.3.3.3** any incurrence of any debt other than: (i) as permitted under the Transaction Documents; and (ii) as part of the redemption and/or refinancing of the Class A Preference Shares;
- **3.3.3.4** any disposal of or encumbrance or ceasing to exercise direct control over the whole or any material part of its present or future assets (including the AB InBev Shares held by it), undertakings, rights or revenues, whether in terms of one action or a series of actions; or
- **3.3.3.5** any entering into of any merger, consolidation, or amalgamation or similar restructuring.

### 3.4 Memorandum of Incorporation and Company Rules

3.4.1 This Memorandum does not provide any different requirements than those set out in section 16(1)(c)(i) of the Act regarding proposals for amendments to this Memorandum.

3.4.2 Unless otherwise permitted by the JSE, the board shall not have the power to make, amend or repeal any necessary or incidental rules relating to the governance of the Company in respect of matters that are not addressed in the Act or this Memorandum, in accordance with the provisions of sections 15(3) to 15(5) of the Act.

3.4.3 If the board, or any individual authorised by the board, alters this Memorandum or any rules made by it in any manner necessary to correct a patent error in spelling, punctuation, reference, grammar or similar defect on the face of the document, it must publish a notice of such alteration by publishing it on the Company's website, and must file a notice of alteration in the manner prescribed by the Act.
4.2 Authorisation for, and Issue of, Shares

4.2.1 In accordance with the Act and the Listings Requirements, the Company is authorised to issue the shares specified in Schedule 1, provided that, if required by the Act or the Listings Requirements, the Company may only issue:

4.2.1.1 unissued shares to shareholders of a particular class of shares, pro rata to the shareholders' existing shareholding, unless any such shares are to be issued for an acquisition of assets;

4.2.1.2 unissued shares or grant options otherwise than as envisaged in Article 4.2.1.1 above, for cash, as the directors in their discretion think fit, if approved by shareholders in general meeting; and

4.2.1.3 shares that are fully paid up.

4.3 Alteration of shares

4.3.1 Any amendment to this Memorandum, including but not limited to any amendment to:

4.3.1.1 create any class of shares;

4.3.1.2 determine the preferences, rights, limitations or other terms of any class of authorised shares or amend any preferences, rights, limitations or other terms so determined;

4.3.1.3 convert one class of shares into one or more other classes;

4.3.1.4 increase or decrease the number of authorised shares of any class of shares;

4.3.1.5 consolidate or sub-divide shares;

4.3.1.6 reclassify any shares that have been authorised but not issued; and

4.3.1.7 change the name of the Company,

must be approved by: (i) a special resolution; and (ii) for so long as any Class A Preference Shares remains outstanding, a special resolution of the holders of Preference Shares, save where such an amendment is ordered by a court in terms of sections 16(1)(a) and 16(4) of the Act.

4.3.2 Should a fraction of a share come into being as a result of any corporate action, the treatment of such fraction, together with any consequential cash payment, will be subject to compliance with the treatment of fractions as set out in the JSE Listings Requirements.

4.4 Amendment of class, preferences, rights, limitations or other terms

4.4.1 To the extent applicable, if any proposed amendment to this Memorandum relates to the variation of any preferences, rights, limitations or other terms attaching to any class of shares already in issue other than the Ordinary Shares, such amendment shall be subject to the prior approval of the holders of that other class passed at a separate class meeting of the holders of that class by way of a special resolution of the holders of that class. The holders of such other class (if the shares of that class have voting rights at the relevant time), may be allowed to vote at the meeting of Ordinary Shareholders convened for the purposes of considering such proposal, subject to Article 4.13.

4.4.2 The provisions of this Memorandum and the Act relating to shareholders meetings of the Company shall, mutatis mutandis, apply to any such separate class meeting except that, subject to the Act, the necessary quorum shall be 2 (two) persons (unless all the shares of that class are held by 1 (one) person) holding or representing by proxy not less than one-third of the issued shares of the class (provided that if at any adjourned meeting of such holders a quorum is not present, those shareholders who are present in person or by proxy shall be a quorum).

4.4.3 The special rights attached to the shares of any class shall not, unless otherwise expressly provided by the conditions of issue of such shares, be deemed to be varied by the creation or issue of further shares, ranking pari passu with, or enjoying lesser rights, and which do not have preference over the first-mentioned shares.

4.4.4 For so long as is required by the Listings Requirements, the preferences, rights, limitations or other terms of any class of shares may not be varied, and no resolution may be proposed to shareholders for rights to include any variation, in response to any objectively ascertainable external fact or facts as provided for in sections 37(6) and (7) of the Act.
4.5 Financial assistance for the subscription or purchase of securities or options
This Memorandum does not limit, restrict or qualify the authority of the board to authorise the Company to provide direct or indirect financial assistance to any person for the purpose of, or in connection with, the subscription of any option, or any securities, issued or to be issued by the Company or a related or inter-related company, or for the purchase of any securities of the Company or any related or inter-related company, in accordance with the Act.

4.6 Capitalisation Shares
Subject to Article 4.2.1, this Memorandum does not limit, restrict or qualify the authority of the board, in terms of section 47 of the Act, to –
4.6.1 approve the issue of any authorised shares of the Company as capitalisation shares, on a pro rata basis to the shareholders of one or more classes of shares;
4.6.2 approve the issue of shares of one class as capitalisation shares in respect of shares of another class; or
4.6.3 permit shareholders to elect to receive a cash payment in lieu of a capitalisation share, at a value determined by the board.

4.7 Company or subsidiary acquiring Company’s shares and distributions
The Company or a subsidiary company may acquire the Company’s shares (and subject to Article 9.5.2, any consequent distribution to shareholders) will be subject to the provisions of the Act and the Listings Requirements.

4.8 Debt Instruments
This Memorandum does not limit, restrict or qualify the authority of the board to authorise the Company to issue secured or unsecured debt instruments, provided that the board may not grant special privileges regarding the attending and voting at general meetings of the Company or the appointment of directors in respect of such debt instruments, except as may otherwise be permitted by the JSE.

4.9 Registration of beneficial interests
4.9.1 This Memorandum does not limit or restrict the holding of the Company’s issued securities by, or the registration of the Company’s issued securities in the name of, 1 (one) person for the beneficial interest of another, provided however, that (i) as a condition to such holding, the person who holds any securities of the Company for the beneficial interest of another (the Registered Holder) recognises and complies with the terms and restrictions on transfer in respect of such securities as contained in this Memorandum and the BEE Listing Terms and Conditions; and (ii) such Registered Holder shall not be entitled to give any instructions in respect of such securities of the Company which would constitute or result in a contravention of this Memorandum and the BEE Listing Terms and Conditions.
4.9.2 If a security of the Company is registered in the name of a Registered Holder who is not the holder of the beneficial interest in such security, that Registered Holder of such security must disclose:
4.9.2.1 the identity of the person on whose behalf that security is held; and
4.9.2.2 the identity of each person with a beneficial interest in the securities so held, the number and class of securities held for each such person with a beneficial interest, and the extent of each such beneficial interest.
4.9.3 The information required in terms of Article 4.9.2 must:
4.9.3.1 be disclosed in writing to the Company within 5 (five) business days after the end of every month during which a change has occurred in the information contemplated in Article 4.9.2, or more promptly or frequently to the extent so provided by the requirements of a central securities depository; and
4.9.3.2 otherwise be provided on payment of a prescribed fee charged by the registered holder of securities.

4.10 Holdings by persons who are not Black People or Black Groups
It is recorded that as part of the SAB Zenzele Kabili Transaction: (i) certain Qualifying Investors who are not Black Groups will become SAB Zenzele Kabili Ordinary Shareholders on implementation of the New Empowerment Transaction; and (ii) certain beneficiaries of the New ESOP who are not Black
People may from time to time become SAB Zenzele Kabili Ordinary Shareholders. Notwithstanding anything to the contrary in this Memorandum such persons shall be entitled to hold Ordinary Shares subject to the restrictions that they shall:

4.10.1 only be entitled to hold their Ordinary Shares in a nominee account with the Custody Entity;
4.10.2 only be entitled to sell, transfer or otherwise dispose of their Ordinary Shares to a BEE Verified Person through the Trading Entity; and
4.10.3 not be entitled to acquire any further Ordinary Shares.

4.11 Commission

The Company may pay commission to any person in consideration of such person subscribing or agreeing to subscribe, or of such person procuring, or agreeing to procure, subscriptions for any securities of the Company, provided that such commission shall be subject to any limitations in the Act or the Listings Requirements, which as at the date of the adoption of this Memorandum, include the limitation that any such commission may not exceed 10% (ten percent) of the aggregate consideration payable for the subscription for such securities.

4.12 Transfer of Ordinary Shares

4.12.1 The Ordinary Shares in the capital of the Company shall only be held in dematerialised form and no share certificates shall be issued by the Company in respect of these securities.
4.12.2 Each person providing custody and/or administration services in respect of the Ordinary Shares must be an Approved Nominee and shall accordingly be required to recognise the restrictions imposed upon the holding and/or transfer of such Ordinary Share as contained in this Memorandum and the BEE Listing Terms and Conditions.
4.12.3 The relevant Ordinary Shareholder shall not give any instruction to its broker or CSDP (or any nominee or intermediary thereof) which would constitute or result in a contravention of the provisions of this Memorandum and the BEE Listing Terms and Conditions.
4.12.4 Subject to the provisions of Article 4.10, for so long as the Ordinary Shares are listed on the Empowerment Segment, and to ensure compliance with the Empowerment Segment of the JSE, all the Ordinary Shares will be subject to the restrictions that
4.12.4.1 only Eligible Persons shall be permitted to be holders thereof;
4.12.4.2 the Company shall not issue Ordinary Shares, securities convertible into Ordinary Shares, or rights exercisable for Ordinary Shares otherwise than to Eligible Persons or Approved Nominees who will hold such Ordinary Shares on behalf of Eligible Persons; and
4.12.4.3 no Ordinary Shareholder shall dispose of or otherwise transfer its Ordinary Shares other than to an Eligible Person or an Approved Nominee who will hold such Ordinary Shares on behalf of Eligible Persons, such that only Eligible Persons may be the beneficial holders of Ordinary Shares, only Eligible Persons or Approved Nominees (who will hold such Ordinary Shares on behalf of Eligible Persons) may be the Registered Holders of Ordinary Shares.
4.12.5 Without prejudice to any specific restrictions with regard thereto, Ordinary Shareholders shall be entitled to encumber their Ordinary Shares in favour of persons that are not Eligible Persons, provided that any disposal of such Ordinary Shares shall be subject to the restrictions on the transfer of Ordinary Shares set out in this Article 4.11.

4.13 Authority to sign transfer deeds

ANNEXURE 5: CORPORATE GOVERNANCE AND THE KING CODE

The definitions and interpretations commencing on page 17 of the Prospectus apply, mutatis mutandis, to this Annexure.

CORPORATE GOVERNANCE REVIEW

The Board considers sound corporate governance practices to be a critical element in delivering sustainable growth for the benefit of all stakeholders. In conducting the affairs of the Company, the Board endorses the principles of integrity, competence, responsibility, accountability, fairness and transparency advocated by the principles of the King Code.

In regularly reviewing the Company’s governance structures, the Board exercises and ensures effective and ethical leadership, always acting in the best interests of the Company, at the same time concerning itself with the sustainability of its business operations.

A register of all King Code principles and the extent of SAB Zenzele Kabili’s compliance therewith is available on the Company’s website at: www.investecps.co.za.

1. BOARD OF DIRECTORS

The balance and composition of the Board has been thoroughly considered taking into account the needs of the Company. The Board as a whole believes that the current balance of knowledge, skill and experience meets the requirements to lead the Company effectively.

The Board is responsible for the strategic direction and control of the Company. It exercises control through a governance framework that includes the review and implementation of detailed reporting presented to it and its subcommittees.

The Board comprises five non-executive Directors, of whom three are independent non-executive Directors. Owing to the nature of the Company as a special purpose vehicle whose functions are effectively limited to holding AB InBev Shares and managing that investment in AB InBev Shares by collecting and distributing dividends to the SAB Zenzele Kabili shareholders, the Company does not have any executive Directors.

The chairman of the Board, Moss Ngoasheng, is an independent non-executive Director. In line with the JSE Listings Requirements and the recommendations of King Code, the chairman does not exercise the functions of a chief executive officer in respect of the Company.

The entire Board is fully responsible and accountable for the operations of the Company. The chairman leads the Board and facilitates constructive relations between the stakeholders and the Board. The chairman holds no other listed Company chairman positions.

The Board has adopted a charter that sets out the practices and processes it follows to discharge its responsibilities. The charter specifically sets a description of roles, functions, responsibilities and powers of the Board, the chairman, individual Directors, Company Secretary, and other prescribed officers of the Company.

The terms of reference of the Board and its committees deal with such matters as corporate governance, Directors’ dealings in securities, declarations of conflicts of interest, Board meeting documentation and procedures for the nomination, appointment, induction, training and evaluation of the Directors.

There is an appropriate balance of power and authority on the Board so that no individual has unfettered powers of decision-making and no individual dominates the Board’s deliberations and decisions.

Any Director appointed during the year is required to have the appointment confirmed by Shareholders at the next annual general meeting.

At the first annual general meeting all Directors shall retire from office and stand for re-election. At each subsequent annual general meeting one third of the non-executive Directors for the time being, or if the number is not three or a multiple of three, the number nearest to one third, but not less than one third, shall retire from office.

The Board has delegated certain specific responsibilities to the following committees:

- Audit committee; and
- Social and ethics committee.

The committees assist the Board in discharging its responsibilities and duties under King Code, whilst overall responsibility remains with the Board. Full transparency and disclosure of committee deliberations is encouraged and the minutes of all committee meetings are available to all Directors.
Directors are encouraged to take independent advice at the cost of the Company for the proper execution of their duties and responsibilities. The Board has unrestricted access to the external Auditors, professional advisors, the services of the Company Secretary and relevant service providers of the Company at any given time. An induction programme is provided for new Directors by the Company’s JSE sponsor.

A detailed assessment of all Board members, including the chairman, will be undertaken annually. Directors and committee members are supplied with comprehensive information that allows them to properly discharge their responsibilities. 1. ACCOUNTING POLICIES
The principal accounting policies adopted in the preparation of the company's historical financial information are set out below. These policies have been consistently applied to the period since incorporation, unless otherwise stated.

1.1 Basis of preparation
The historical financial information of SAB Zenzele Kabili Holdings (RF) Limited have been prepared in accordance with IFRS, IFRIC Interpretations and the requirements of the South African Companies Act.

The historical financial information are prepared under the historical cost convention, except for certain financial instruments as described in the accounting policies below. The accounts have been prepared on a going concern basis.

The preparation of historical financial information in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise judgement in the process of applying the company's accounting policies. Actual results could differ from those estimates.

A statement of comprehensive income and statement of cash flows have not been prepared, given that there were no transactions from the date of incorporation to the end of the reporting period, 31 January 2020.

1.2 New Standards and Interpretations
There were a number of new standards and interpretations effective and adopted in the current year.

The company assessed that there is no significant impact of the following standards and amendments to existing standards mandatory for the first time for the company's 2020 financial year:

- IFRIC 23 Uncertainty over Income Tax Treatments, effective 1 January 2019
- Amendments to IFRS 9- Prepayment Features with Negative Compensation, effective 1 January 2019
- IFRS 16- Leases, effective 1 January 2019
- Amendment to IAS 19, ‘Employee benefits’ on plan amendment, curtailment or settlement
- Amendment to IAS 28, ‘Investments in associates and joint ventures’–long term interests in associates and joint ventures, effective 1 January 2019.

Published standards, amendments and interpretations not yet effective and not early adopted:

The following new accounting standards, interpretations and amendments are not expected to have a material impact on the results, financial position or cash flows of the Company:

- IFRS 17–Insurance contracts (1 January 2021)
- Amendment to IAS 1, ‘Presentation of financial statements’ and IAS 8, ‘Accounting policies, changes in accounting estimates and errors’ on the definition of material.
- Amendment to IFRS 3, ‘Business combinations’ - Definition of a business

1.3 Significant judgements and estimates
In determining and applying accounting policies, judgement is often required where the choice of specific policy, assumption or accounting estimate to be followed could materially affect the reported results or net position of SAB Zenzele Kabili, should it later be determined that a different choice be more appropriate.

1.4 Revenue recognition
Revenue from dividend income

Revenue from dividend income is recognised when the right to receive payment is established.

1.5 Financial assets and financial liabilities
Financial assets and financial liabilities are initially recorded at fair value (plus any directly attributable transaction costs where applicable). For those financial instruments that are not subsequently held at fair value, SAB Zenzele Kabili assesses whether there is any objective evidence of impairment at each balance sheet date.
Financial assets are recognised when SAB Zenzele Kabili has rights or other access to economic benefits. Such assets consist of cash, equity instruments, a contractual right to receive cash or another financial asset, or a contractual right to exchange financial instruments with another entity on potentially favourable terms. Financial assets are derecognised when the right to receive cash flows from the asset have expired or have been transferred and SAB Zenzele Kabili has transferred substantially all risks and rewards of ownership.

Financial liabilities are recognised when there is an obligation to transfer benefits and that obligation is a contractual liability to deliver cash or another financial asset or to exchange financial instruments with another entity on potentially unfavourable terms. Financial liabilities are derecognised when they are extinguished, that is discharged, cancelled or expired.

If a legally enforceable right exists to set off recognised amounts of financial assets and liabilities, which are in determinable monetary amounts, and there is the intention to settle net, the relevant financial assets and liabilities are offset.

Interest costs are charged to the income statement in the year in which they accrue.

The company has the following categories of financial assets and financial liabilities.

(i) **Financial assets and financial liabilities at fair value through profit or loss**

Financial assets and financial liabilities at fair value through profit or loss include derivative assets and derivative liabilities not designated as effective hedging instruments.

All gains or losses arising from changes in the fair value of financial assets or financial liabilities within this category are recognised in the income statement.

Derivative financial assets and financial liabilities:

Derivative financial assets and financial liabilities are financial instruments whose value changes in response to an underlying variable, require little or no initial investment and are settled in the future.

Derivative financial assets and liabilities are analysed between current and non-current assets and liabilities on the face of the balance sheet, depending on when they are expected to mature.

For derivatives that have not been designated to a hedging relationship, all fair value movements are recognised immediately in the income statement.

(ii) **Financial assets held at amortised cost**

Other receivables, accrued income and cash and cash equivalents.

a. Other receivables

Other receivables are mainly amounts due to the company on dividends declared not yet received and are initially recognised at fair value and subsequently measured at amortised cost less provision for impairment. Other receivables are amounts due on dividends declared and due to the entity. The company holds the other receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method.

The entity applies the IFRS 9 simplified approach to measuring expected credit loss losses on other receivables, which uses lifetime expected credit loss allowance for other receivables. The movement in the provision is recognised in the statement of comprehensive income.

b. Cash and cash equivalents

Cash and cash equivalents include cash in hand, bank deposits repayable on demand.

(iii) **Financial liabilities held at amortised cost**

Financial liabilities held at amortised cost include accruals, other payables and borrowings. Redeemable and preference shares are classified as liabilities. The dividends on those preference shares are recognised in profit and loss as finance costs.

a. Other payables

Other payables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method. Other payables are analysed between current and non-current liabilities on the face of the balance sheet, depending on when the obligation to settle will be realised.

1.6 **Share capital**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.
1.7 **Capital reserves**

Capital reserves are contributions from group companies in their capacity as owners of the entity where the contribution has not resulted in the issue of new shares or options.

1.8 **Tax**

The tax expense for the period comprises current and deferred tax. Tax is recognised in the income statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case it is recognised in other comprehensive income or directly in equity, respectively.

Current tax expense is based on the results for the period as adjusted for items that are not taxable or not deductible. SAB Zenzele Kabili’s liability for current taxation is calculated using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full using the balance sheet liability method, in respect of all temporary differences arising between the tax bases of assets and liabilities and their carrying values in the historical financial information, except where the temporary difference arises from goodwill or from the initial recognition (other than a business combination) of other assets and liabilities in a transaction that affects neither accounting nor taxable profit.

Deferred tax is measured at the tax rates expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted at balance sheet date. Deferred tax is measured on a non-discounted basis.

1.9 **Dividend distributions**

Dividend distributions to equity holders of SAB Zenzele Kabili are recognised as a liability in SAB Zenzele Kabili’s historical financial information in the period in which the dividends are approved by SAB Zenzele Kabili’s directors. Interim dividends are recognised when paid. Dividends declared after the balance sheet date is not recognised as there is no present obligation at the balance sheet date.

2. **SHARE CAPITAL AND SHARE PREMIUM**

Authorised share capital comprises 50,000,000 ordinary shares of no par value and 1,000,000 classified preference shares.

The unissued shares are under the control of the directors until the execution of scheme and distribution of shares to the participants in April 2020.

3. **EVENTS AFTER REPORTING DATE**

Subsequent to the period end, AB InBev and SAB intend to implement the proposed new empowerment transaction which is conditional on the approval and implementation of the conditions as set out in the prospectus document. This is expected to conclude in April 2020.

4. **GOING CONCERN**

The Directors have prepared the historical financial information on the going concern basis. The going concern of the Company is dependent on the successful implementation of the new empowerment transaction and the listing of SAB Zenzele Kabili on the JSE both of which the Directors are confident will be approved by special resolution to be voted on in March 2020 as part of the circular and prospectus issued to the shareholders of Zenzele Holdings Limited.

Further, as at 31 January 2020 the entity has no debt or contingent liabilities which supports the going concern basis of preparation for the historical financial information as at 31 January 2020.
To the Directors of SAB Zenzele Kabili Holdings (RF) Limited

Our opinion

SAB Zenzele Kabili Holdings (RF) Limited (the “Company” or “SAB Zenzele Kabili”) is issuing a prospectus (the “Prospectus”) pursuant to the proposed listing of the Company's shares on the JSE (the “Proposed Transaction”).

In our opinion, the historical financial information as set out in Annexure 10 of the Prospectus (the “historical financial information”) presents fairly, in all material respects, the financial position of SAB Zenzele Kabili Holdings (RF) Limited (the “Company”) as at 31 January 2020 in accordance with International Financial Reporting Standards and the requirements of the JSE Limited Listings Requirements.

What we have audited

At your request and solely for the purpose of the Prospectus to be dated on or about 19 February 2020, we have audited SAB Zenzele Kabili’s historical financial information, which comprises:

- The statement of financial position as at 31 January 2020;
- the statement of changes in equity for the period then ended; and
- the notes to the historical financial information, which include a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Reporting accountant’s responsibilities for the audit of the historical financial information section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the Independent Regulatory Board for Auditors’ Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards).

Purpose of this report

This report has been prepared for the purpose of the Prospectus and for no other purpose.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the historical financial information for the period ended 31 January 2020. We have determined that there are no key audit matters in respect of the historical financial information to communicate in our report.

Responsibilities of the directors for the historical financial information

The directors of SAB Zenzele Kabili are responsible for the preparation, contents and presentation of the Prospectus and are responsible for ensuring that the SAB Zenzele Kabili complies with the requirements of the JSE Limited Listings Requirements.

The directors of SAB Zenzele Kabili are responsible for the preparation and fair presentation of the historical financial information in accordance with International Financial Reporting Standards and the requirements of the JSE Limited Listings Requirements, and for such internal control as the directors determine is necessary to enable the preparation of historical financial information that are free from material misstatement, whether due to fraud or error.

In preparing the historical financial information, the directors of SAB Zenzele Kabili are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.
Reporting accountant’s responsibilities for the audit of the historical financial information

Our objectives are to obtain reasonable assurance about whether the historical financial information as a whole are free from material misstatement, whether due to fraud or error, and to issue a reporting accountant’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this historical financial information.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the historical financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors of SAB Zenzele Kabili.
- Conclude on the appropriateness of the directors of SAB Zenzele Kabili’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our reporting accountant’s report to the related disclosures in the historical financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our reporting accountant’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the historical financial information, including the disclosures, and whether the historical financial information represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the historical financial information. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with the directors of SAB Zenzele Kabili regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors of SAB Zenzele Kabili with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
